Dedications

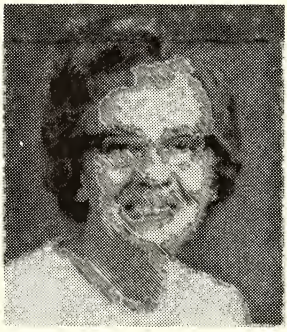
We, the Stanly Baptist Association, dedicate the 1981 Minutes to the loving memory of three who have served the association faithfully for many years.

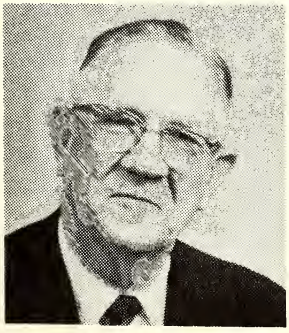
Rev. Charlie Gregory was born July 16, 1904 and died June 19, 1981. He served many churches in the Montgomery Association. He also pastored Calvary Baptist Church in the Stanly Association for several years and then served as interim there.

Mrs. Robert Moss served in the Preschool Department in her church, First Baptist, Albemarle, for at least twenty five years, starting in Sunday School and then Sunday and Wednesday evenings.

She served the association as part of the Sunday School Assist Team, and in Vacation Bible School. Mr. Moss was her right hand, as they did together what they both loved — worked with Preschoolers in the church, the association and at the Baptist Assembly at Fort Caswell.

Mrs. Moss was born February 24, 1917 and died October 2, 1980.





Rev. C. R. Hinton was born August 21, 1902 in Norfolk, Virginia. He was a cum laude graduate of Wake Forest University and a graduate of the Southern Baptist Seminary in Louisville, Kentucky.

Mr. Hinton served as pastor of West Albemarle Church from 1942 to 1947, and then as Interim there for six months in 1977 after serving churches in Greenville, S.C., and in Granite Falls. He was pastor at Grace Church in Albemarle from 1955 to 1967.

After retirement in 1968, he served as interim in 21 different churches. He died August 6, 1981 after several weeks of declining health.

History of Mission Baptist Church

In 1876, W. T. and Elizabeth Swinson began to have prayer meetings in their home in the Mission community. Rev. E. P. Harrington was asked to come four years later to begin a Baptist work. Finding a liquor shop and gambling place near where the present church now stands, he accepted the challenge. A brush arbor was erected for worship. Beginning that year with only three Baptists, the small church began to work and grow. By 1883 the mission was organized into Elizabeth Baptist Church with six charter members.

In 1895 a building was erected and the name changed to Mission Baptist Church with thirty-three members on roll. The church experienced a period of growth in the 1920s and a new building was built in 1924 which housed the church until the present brick structure was completed in 1971. A parsonage was added in 1956, an educational plant in 1956 and a fellowship hall in 1962.

The past fifty years have seen seven pastors serve: Coy Muckle, John Simpson, C. C. Huneycutt, W. H. Lewis, C. C. Burris, Floyd Helms, Jr. and Ronny Russell.

A strong Biblical faith and a spirit of Christian love and harmony have marked the ninety-eight year history of Mission Baptist Church. The past ten years have seen a period of numerical and spiritual growth. A record thirty-two members were added in 1978. A record Sunday School attendance of 161 was recorded in 1979-80. Last year total receipts were $68,714 with a total membership of 310.

God has blessed our church bounteously in the past ninety-eight years. However, our greatest blessings are yet to come. Built on Christ, the solid Rock, we continue to look to God to give the increase.

History of Prospect Baptist Church

Previous to the organization of Prospect Baptist Church with Rev. B. H. Carter leading, meetings were held in a log school building near the present church building site. From these meetings came the desire for a church.

The Church was organized in 1866. Ministers B. H. Carter, Davis Williams, and Cauley were present. Rev. B. H. Carter was Moderator presiding over the conference.

B. H. Carter, Priscilla Clayton, Nancy Ann Clayton, Clementine Clayton, Francis Creps, Berry Mann, Bill Mann and Jim Hall were some of the first members.

Brother B. H. Carter was elected first pastor, and seved until 1895 with the exception of a few months by B. H. Harget, and two years by J. F. Hodge. Rev. H. Morris was then called to the church and served until 1901.

The church was a member of the Rocky River Association as early as 1872, Pee Dee Association from 1881 to 1886, the Mecklenburg-Cabarrus Association 1886 to 1894 and was received into the Stanly Baptist Association in 1894.

Around 1900, a one-room frame structure was built. An addition was made to this building in 1910 and dedicated the same year. In 1937 another remodeling job was completed with Sunday School rooms added.

In 1947 the first church structure was destroyed by fire. Just previous to this, Rev. W. B. Holmes resigned his pastorship. This left the Church Membership without a pastor or building but not without the Spirit of Christ. Rev. Lee Hartsell was called as pastor and with all members cooperating and help from sister churches of the association, the present building was erected at the approximate cost of $45,000.00 the same year. On August 15, 1948, this building was dedicated. In 1950 a nine room parsonage was built at the approximate cost of $18,000.00. Dedication services for the parsonage and the organ were held June 15, 1952. In 1954 the Educational Building was erected, and in 1967 an addition to the Education Building was erected at the approximate cost of $60,000.00. As of this date the church property is valued at $300,000.00.

The church has reported a Sunday School since 1895. The present Sunday School enrollment is 322. The church membership was 64 in 1871. The present church membership is 429.

Pastors from our church are Rev. S. A. Hatley, Rev. Tom Hearne, Rev. Charles W. Cranford, and Rev. James Lowder.

This church has filled a great mission in the community and with the present condition of society, it has a great work to do in holding up the doctrine of the New Testament and to carry out the great command of Christ.

The Preamble and the Constitution of The Stanly Baptist Association

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following constitution. Sunday School

There is an urgent and compelling mission from God to reach people with the message of our Lord Jesus Christ.

The Lord Jesus demands that the church be totally committed to reach the unsaved people of the world and to teach His word to all of us.

The emphasis has been and will be through 1985, *The Bold Mission Thrust*, to offer the Gospel to every person on earth by the year 2000.

The unreached multitudes constitute an all compelling reason for out-reach. The Sunday School leadership; "The Assist Team" has worked diligently to assist in all the ways offered by the churches.

The churches, Sunday School Directors, officers, teachers, out-reach leaders are offered much help and challenge in the associational workshops.

The Sunday School Leadership night in September was well attended and we were delighted in the good attendance for that meeting.

The new Sunday School year will present to us all many opportunities to work in the vineyard of our Lord.

Respectfully submitted,
Ivey A. Smith

Church Training

Church Training is the organization assigned the task of helping church members, new church members, and church leaders (also potential leaders) grow in their Christian discipleship. The Church Training program does not compete with other church programs, but when properly administered, enhances the total work of the church.

The Church Training Program has responsibility for teaching in five major content areas. These are: Christian Doctrine, Christian Ethnics, Christian History, Church Polity & Organization, and skill development (in performing the function of a New Testament church).

To strengthen the Church Training program of our association and to begin new programs and groups we have an excellent Church Training Council.

Wayne Bennett ..... Church Training Director
Justin Hill ..... Adult
Mrs. Mark Terrell ..... Youth
John Barnhardt ..... Children
Mrs. Phil Boger ..... Preschool
Richard Poindexter ..... New Member Training
Steve Williams ..... Equipping Centers

Please let us help you by informing us of the particular training needs of your church.

Respectfully submitted,
W. Wayne Bennett, Jr.

Woman's Missionary Union

The 1980-81 year in Woman's Missionary Union has been one of great opportunity and accomplishment.

The Age Level and Support Directors have responded to their tasks in a commendable way.

The Baptist Young Women increased with four new organizations. Their meeting at Lakeview featured a Christian talent and testimony program. Barbee's Grove Baptist Young Women was recognized as "Baptist Young Women of the Year".

Two hundred and forty-seven Girls in Action attended the Day Camp at Anderson Grove Church.

The Baptist Women's Meeting at South Albemarle invited Madeline Efird as guest speaker. Many churches participated in a Mission Fair type exhibition with refreshments prepared by recipes from countries with Southern Baptist Convention work.

At the Annual Meeting at Bethlehem, we enjoyed hearing Miss Carolyn Hopkins, State Acteens Director, and Rev. Harry Poovey, former missionary in Europe.

The teaching of the new Manuals at Pleasant Grove attracted 148 ladies.

We look forward to the new year with challenge . . . Send Me, O, Lord, Send Me.

Respectfully submitted,
Marie R. Phillips

Brotherhood

The Brotherhood organization has experienced a very successful year. This success is due to the faithfulness of many people.

Mr. Wayne Furr, our R.A. Director has given much of his time in organizing the R.A. activities for this year. The softball season was especially enjoyed by all.

Mr. Keith Byrd (serving as Mission Action Leader) was in charge of the Sunday School ministry at our Baptist Home for Aging this year, this was a success thanks to Keith's dedication.

Mr. Wayne Whitecotton (serving as Mission Action Leader) directed the prison ministry, which has seen some tremendous growth under Wayne's leadership. It has been a real blessing to all, to see our Baptist Home and Prison Ministries continue. These have done so only because the men of the churches in our association have been willing to serve when called upon.

A special thanks to brother L. V. Whitley, Mission Study Leader this year. L. V. spoke in several churches this year and has been an inspiration to all, but he was just exceptional at our Brotherhood Workshop held in Pleasant Grove.

I thank God for these men and Baptist Men throughout the county who care enough to become involved in God's work.

Roger Bunting

Evangelism

All Baptists are urged to participate in the Joint Evangelistic Crusade in 1982. The theme will be "Here's Hope". Interpretation Meetings have been held across the state to suggest plans and basic thrusts for the Joint Crusade effort, which is co-sponsored by the Baptist State Convention and the General Baptist State Convention. The Simultaneous Revival dates for the areas are: Coastal — March 14-28; Piedmont — April 4-18; and Mountain — April 25-May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

Churches are urged to have Lay Evangelism Schools in preparation for the '82 Joint Crusade. Master copies of transparencies to be used in teaching Lay Evangelism Schools were set to all Directors of Missions. 73 associations have a trained Coordinator of Lay Evangelism Schools who will train other pastors in the association. This association held its Lay Evangelism School October 13th in the Associational Center.

"Prayer and Awakening" was the theme of the 35th Statewide Evangelism Conference held February 2-3, 1981 in the Thomas Wolfe Auditorium, Asheville Civic Center, Asheville, N.C. About 2,400 pastors and lay persons attended this conference.

The Youth Evangelism Conference for this area was on August 29 in Greensboro. We thank God for this wonderful evangelistic opportunity and for what we believe He is going to do through this service.

The Youth Evangelism Leadership Conference has rapidly become a major intensive equipping time for pastors and youth leaders. Key areas of the Conference are Personal Growth of the leader, youth witnesses training and discipleship, and equipping adults to minister to youth. During the 1981 Conference, October 5-7, at Caraway, Jack Taylor is the inspirational speaker.

Baptisms were up last year! Praise God! While it is too early to know, we all pray that North Carolina Baptists are recapturing the desire and commandment of the Lord to "feed my sheep." If so, we shall surely continue to see more persons led to receive Christ as Lord!

The Associational Evangelism Rally was held September 3, 1981 at Pleasant Grove Baptist Church. An afternoon meeting was held for the pastors and led by Dr. James Smith, Executive Director of the Brotherhood Commission for the Southern Baptist Convention. Dr. Smith also gave the inspirational message for the Rally that evening.

The 36th Statewide Evangelism Conference will be held in Greensboro during February 8-9, 1982.

On April 1, 1981, W. C. Lamb became Evangelism Consultant of the Hawaiian Baptist Convention.

Music

The objective of our Music Program in our association, as I see it, is to enroll as many born again believers in Church Music as possible through our adult choirs.

There may be instances in Youth Choir where the youth you enroll in choir is not a Christian. I feel this is an out-reach tool of the church to reach unsaved young people.

It is for sure that there will be many children enrolled in Children's Choir who are not Christians. This should be the choir where one teaches many basics of music.

My challenge to you would be to increase your enrollment by 10% this coming year. Not that we might brag about numbers, but that we might have more people worshipping God through the Church Music Program, and that God's name might be uplifted and held high.

Another project as Associational Music Director that I am trying to obtain are zone directors for our County. By the time you read this report we are hopeful to give you their names and explain their function.

May God bless our Association through our Church Music Programs is my prayer.

Seminary Extension

The Stanly Baptist Association Seminary Extension center has provided ministry training opportunities during 1980-81 by offering two courses. Total enrollment for the courses was 30.

Specific courses offered included *Biblical Background,* taught by Rev. Ronny Russell, and *Old Testament Survey,* taught by Rev. De Hillyer.

The Stanly Baptist Association Seminary Extension center is affiliated with the Seminary Extension Department, a Nashville-based arm of the six Southern Baptist seminaries. More than 400 similar centers were in operation throughout the United States last year. The SED also offers correspondence study through its Independent Study Institute.

Stewardship

Stewardship education is one of the most urgent challenges facing the church. The challenge comes partly from year to year; world wide; double digit inflation. However, the greatest challenge comes from the fact that Christians have too long adopted the life style of the world that puts carnal growth first and spiritual growth last. Southern Baptists have often been erratic and negligent in the area of the development of Christian stewards. As a denomination we have raised enormous amounts of money (this coming year the Cooperative Program Budget is $93,000,000). But 80% of Southern Baptists are virtually uninvolved in giving. This has been due largely to the fact that stewardship education has been weak.

The Stewardship Committee of the Churches and the Association have the responsibility of turning this trend around by developing an understanding of and commitment to the Biblical concept of stewardship and to utilize all teaching and training materials available. Ignorance is no excuse because every church can receive, without cost, a packet of stewardship materials prepared by the Convention. Also, your Associational Committee accepts the responsibility of helping every church in stewardship training.

On July 16 we conducted an Associational Stewardship Conference with 7 churches present.

The purpose of stewardship is spiritual growth. Stewardship encompasses more than giving; it is concerned with how a Christian relates to all material things. When the Bible discusses stewardship it is talking about management of the affairs of another (God). The Bible teaches that God owns everything and mankind is the manager blessed with the use of God's world. God expects his people to grow up in Christ and become responsible managers of His world. A Christian who recognizes that he is a manager of God's material world will see stewardship in a different light.

Will you join with me in developing an understanding of and commitment to the Biblical concept of stewardship?

North Carolina Baptist Homes, Inc.

As we look back over the past thirty years of ministry in our Baptist Homes, it is a real inspiration to see where we have been and to meditate on the many blessings that God has so richly bestowed upon us. He has brought us from one Home in 1951 to a total of six Homes, an apartment complex, and a skilled nursing unit; from one resident to a total capacity for 300 persons in 1981. These have been good years, and God has used N.C. Baptists to bring this special ministry to older people a long way. Where we go from here is certainly, as always, in the hands of the Lord, but depends largely on where North Carolina Baptists want to go.

Quite frankly, we are at a standstill. Crippling inflation has caught up with us and is eating into the very vitals of our existence. We are still giving the same high quality of Christian care to each of the residents in the six Homes, Nursing Care Unit, and the apartment complex. It is a struggle and a juggle between income and expenditures.

Building plans for a desperately needed 70-bed addition to our current Nursing Care Unit and the Hayes Home have been held up by regulatory red tape for years. Now that the state health laws have been altered to permit the building of these beds, it doesn't appear that we could wisely borrow the money at the current interest rates.

Though 1980 gifts through our Cooperative Program and the North Carolina Missions Offering are a little more than $550,000.00 (18% of all income), these gifts are not commensurate with our current population growth and the ministry support needs of the Homes.

Two things are apparent. One, Baptists must be informed of our needs and do all possible to increase their gifts accordingly through the regular channels — the Cooperative Program and the North Carolina Missions Offering. Two, North Carolina Baptists must help us find ways of raising money for development and expansion to meet the needs of current residents and the needs of growing numbers of older adults.

The General Board of the Baptist State Convention has joined us in our concerns and has appointed a Special Study Committee to take a serious and close look at the financial needs of our Baptist Homes.

We will continue to trust our Heavenly Father for His blessings upon the Homes vital ministry to older adults. We will keep faith with Him and with North Carolina Baptists and strive to give the highest quality care to each resident of the North Carolina Baptist Homes. We will believe that our future is as bright as the promises of God Himself and as sure as the love and devotion of North Carolina Baptists.

Baptist Children's Homes of North Carolina

The Charlotte Family Services Center serves an eight county area and offers all services and ministries of the Baptist Children's Homes anywhere in the State. The Emergency Youth Care Center located at 9741 John Russell Road is one of these many services. This is a joint effort with the Mecklenburg Association and plans are underway to expand this service.

Steve Hoffman became Director of the Charlotte Family Services Area

on July 1. Phil Morrow has moved to Thomasville to serve as Associate Director of Family Services for the State.

Good things are taking place in our Baptist Children's Homes family across the State. Six Family Services Centers have been opened with three others in the planning stages. Children are being provided temporary care in seven Emergency Care Homes. Therapeutic camping for boys is being expanded at Cameron Home near Vass. The Child Development Center in Thomasville continues to offer progressive demonstration preschool care as a model for North Carolina Baptist churches. The Family Resource Center located in Thomasville is piloting a program for continuing education for people across the state who are in the best position to assist families through a concept of preventive care.

There are various opportunities for Christian service with the Baptist Children's Homes. Houseparenting, for example, is a challenging and creative way for one to live out their Christian experiences and to share the strength of their maturity. Foster homes, especially for your adolescents, are always needed. Counsel regarding family life or opportunities for a Christian vocation is available through the area office.

Steve Hoffman and members of the staff of the Homes in the greater Charlotte area are leading the program in a very fine way. In the words of Paul they can say "We are laborers together with God" (I Corinthians 3:9). Thank Him for this relationship.

Baptist Hospital

During the past decade, life expectancy in this country has increased by three years, to 73.2 years. Important factors in this increase have been the development of new medical technology and the application of new medical knowledge gained through research.

Baptist Hospital has had a significant part in this developing knowledge and technology. During the past year, the hospital has expended more than $3 million on technological equipment, including the installation of an 18-MEV linear accelerator for the improved treatment of patients with certain types of cancer. A new cardiac-catherterization laboratory increases the capability of identifying and locating heart problems. A cell saver, the first in North Carolina, contributes to the recovery of many surgical patients. This technology salvages the patient's own blood, cleans it and readies it for transfusion back into the patient in a matter of minutes — making transfusion faster and less expensive. The diagnosis and treatment of epilepsy has been greatly enhanced by the development of a video telemetry system which uses cameras to record a patient's physical symptoms during a seizure. This makes it possible to identify and classify a seizure, thus enabling the physician to determine the precise drug dosage needed.

The hospital's ministry has been aided by completion and occupation of the Focus Building. Other hospital space is undergoing renovation for more effective use.

Several staff members from the Medical Center have participated in short-term mission assignments during the past year — many of these in overseas areas.

The Department of Pastoral Care continues to provide a pastoral

ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education in both crisis ministry and pastoral counseling, at several levels, and numerous events in Christian enrichment and development. The Minister's Care Plan continues in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers.

Again this year, our hospital has won awards in cost effectiveness programs, indicating our continuing efforts to keep our operating costs and patient charges as low as possible.

During the year, the hospital's charter revision has been brought to successful and satisfactory conclusion.

In 1980, our churches contributed $457,459.56 to the hospital through the Cooperative Program, and $353,397.73 through the North Carolina Missions Offering and designated gifts.

The Annuity Board

In North Carolina as of March 31, 1981, 3,114 staff members of 2,353 churches and associations are participating in the Southern Baptist Retirement Program.

Through March 31, 1981, we had processed the following:

70 — Southern Baptist Retirement Program applications.
11 — Applications for age retirement benefits.
442 — Upgrades.

The church's response to upgrading the staff members retirement program is most encouraging.

In Stanly Baptist Association 50 churches and 55 staff members are participating in the retirement program. Of this number, 18 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for Pastors and for staff members.

Christian Literature

Psalm 119:105 — *Thy word is a lamp to my feet, a light unto my path.*

The Bible is the most complete one volume library in the world. As one man has said, "Read it to be wise; believe it to be safe; practice it to be holy." Lack of knowledge of God's Word results in anemic, powerless Christians. Nothing penetrates minds, reaches hearts, and turns people to Jesus Christ like the printed Word. Gospel Literature is the most effective tool of evangelism. Baptists are people of the Book. Let us strive to deserve that honor.

Next in importance is the Biblical Recorder. If you are not receiving it you are missing something vital to your Christian life. When people know the truth — and the truth must be spoken in love — we have a better convention,

better churches, better associations, and better individual Christians. For 7¢ per copy, surely every Baptist family can afford that much.

Our Baptist Press publishes Open Windows, Home Life, Mature Living, and many other materials suitable for all ages, and is worthy of our full support. With so much good literature available there is no reason to posion the mind with the pornographic garbage that floods the market through the news media, TV, radio and other sources. Be careful what you read.

Psalm 119: — *Thy word have I hid in my heart that I might not sin against Thee.*

North Carolina Baptist Foundation

During the past year, twenty-three new trust funds valued at $385,016 were established with the North Carolina Baptist Foundation increasing total new assets held for the various missions and institutions by $453,877.

- Foreign Missions trust funds increased by approximately $26,000.
- Home Missions trusts increased by $8,000.
- Baptist Children's Homes of North Carolina trusts increased by approximately $19,000.
- Southeastern Seminary by $12,250.
- Fruitland Bible Institute by $33,000.
- North Carolina Baptist Homes by $1,500.
- Local church trust funds, including cemetery, scholarship and mission funds by $5,000.
- Cooperative Program by $7,000.
- Statewide Student loan fund by $115,000.

Thirty-eight percent of the market value of all assets held by the Foundation were made as gifts by persons desiring to receive income for the remainder of their lifetime and at death have the trust funds pay income to missions or Baptist institutions. Foundation personnel are available to assist any member of a Baptist Church in North Carolina to utilize this or other plans of giving to provide a perpetual personal support for sharing the message of Christ — even beyond one's lifetime.

More families are utilizing the memorial gifts as a means of providing mission support on a continuing basis. Individual trust accounts are established with only the income being distributed in the name of the deceased family member. Generally the mission cause named to receive the income was loved and supported during the lifetime of the family member.

American Bible Society

The American Bible Society, founded 165 years ago in 1816, continues to pursue the only purpose for which it was established: the translation, production and distribution of God's Word without doctrinal note or comment, and without profit. Many advances were made for the Bible cause during 1980.

On behalf of the millions of people who learned about our Lord Jesus

Christ through the pages of Scripture in 1980, the American Bible Society would like to express its sincere thanks to the churches and agencies of the Southern Baptist Convention for their share in these successful programs of Scripture evangelism. The denomination's support for each of the past four years has averaged about two cents per member, or a total of $293,000.

Of particular significance to the Southern Baptist Convention is the Bible work being carried out in the country of Brazil, one of our largest and oldest fields of service.

During 1980 the Bible Society of Brazil produced for the first time the Illustrated New Testament in Today's Portuguese. This new translation is receiving a tremendous response from church leaders and individuals. In addition, work is continuing on the complete Bible in this version. This translation is expected to attain the same popularity in Brazil as the Spanish Version Popular Bible received throughout Latin America.

There are many other programs around the world that need support. In Africa, for example, 10,000 Kimbundu Bibles are needed for the 1,600,000 people in Angola who speak this language. It is the first time ever that the Bible is to appear in their language. The cost for this project is $30,000.

In Nigeria new translations have been completed to meet the growing needs of Nigerian Christians who are becoming increasingly eager to have the Scriptures in their own language. Translation of the complete New Testament was reported for the first time ever in the language of Angas and Yala.

To help aid the American Bible Society in its worldwide effort to serve the church and its global ministries, and to strengthen the indispensable partnership between the churches and American Bible Society, an Advisory Council was held last year. Several important resolutions were adopted. Of special significance is the resolution encouraging "greater financial support from churches and total Christian community, especially when viewed in light of United States and world inflation . . ." and urging "the churches to set a goal of at least ten percent annual growth in financial support to the work of the American Bible Society".

We especially want to thank the American Bible Society for the free tracts sent to us for distribution at the Stanly County Fair.

Respectfully submitted,
Mrs. J. Clyde Wilhelm

Director of Missions

We are both challenged and encouraged by this year — challenged because we haven't seen more response and more effort on our part; and yet encouraged by progress made. The fact that thousands around us are still unreached for Christ burdens our hearts. As individual Christians, churches, associations and conventions we have made commitments that will require our very best.

Let us show our appreciation for the leaders and their work by joining hands with our new and continuing leaders to move forward with the opportunities now at hand. We hope each of you feel the challenge and will seek to enlist fellow Christians to respond.

Some statistics from 1980-81:

6 statewide conventions, conferences, clinics, etc.

8 regional conferences and workshops
94 services in churches (speaking 55 times plus brief reports, etc.)
Attended Southern Baptist Convention in Los Angeles
1 week with 12 other volunteers from Stanly Association in West Virginia Mission Project
Attended Mission in Context Conference at Ridgecrest
1 week at Director of Missions Conference at Wingate College
1 week on chaplain duties at local hospital
Conferences with many individuals, groups and committees
Travelled 23,442 miles related to duties

Thank you for the privilege to serve as a co-laborer with all of you in the Stanly Baptist Association. I thank God for each one of you.

Respectfully submitted,
J. Clifton Dunevant

North Carolina Missions

The goal for the North Carolina Missions Offering this year is $2,750,000. This is an increase of $550,000 over the 1980 goal. This offering in 1979 replaced the previous offerings for the Children's Homes, Hospital, Homes for the Aging, Christian Education, WMU promotion, and State Missions.

North Carolina Missions Offering by the churches of Stanly Baptist Association in 1980 was $35,226 compared to $42,116 in 1979.

Among the ministries of North Carolina Baptists through the North Carolina Mission Offering, combined with Cooperative Program and designated funds are: five colleges, two universities, the Fruitland Bible Institute (an estimated one fourth of the pastors in North Carolina have attended Fruitland), child care facilities in ten locations, the Baptist Hospital, along with its counterpart, Bowman-Gray School of Medicine, six homes for the aging, plus many other ministries throughout the state.

The needs this year are great, and the record of North Carolina Baptists through its 151 year history in ministering to the deepest needs of the state should be enough to convince us that our Baptist efforts in North Carolina are worthy of the support of every church and of every individual Christian.

Respectfully submitted,
Glenn Watts

Home Missions

The possibilities and opportunities of Bold Mission Thrust are unlimited. During the past year the optimism of Southern Baptists across the land has been evident. There has been manifest a sense of urgency concerning national evangelization in state conventions and associations, and the local churches to reach the lost and unchurched more than any decade of our recent history. Planning and putting into operation evangelistic emphasis has produced the second largest number of baptisms in a single year in Southern Baptist history.

For the first time in the history of missions personnel exceeded the 3,000 mark. This year 450 persons will be involved in Mission Service Corps. In 1980 over 29,000 volunteers made immeasurable contributions to the ministries of Southern Baptist churches.

Through sacrificial giving of Baptists, the Home Mission Board received

the largest offering for Home Missions. The receipts for the Annie Armstrong Easter Offering amounted to $16,479,032 or 106.4 percent of our goal. Likewise, through support of the Cooperative Program, the Home Mission Board received $13,993,700, the largest amount ever received.

We believe that spiritual awakening is coming to our land. In an unprecedented way America is becoming concerned about her moral and spiritual well being. God has set the stage, Southern Baptists have the personnel, and the resources to win our nation to Christ. One thing remains: Let us do it for God's Glory! Numbers 13:30 "Let us go up at once, and possess it; for we are well able to overcome."

Respectfully submitted,
Eddie Joe McCurry

Foreign Missions

Planning to win the world could be the heading of this report. The year of 1980 was invested in a review of the Biblical and a denominational purpose of the agency, shaping an organization around that purpose, selecting staff to achieve this purpose, and initiating a planning process to accelerate the achieving of this purpose.

In the Board's commitment and in Bold Mission Thrust the objective is to share the love story of Christ in such a way that men, women and children come into discipleship and fashion themselves into dynamic New Testament churches.

Reports from churches on the field record a total of 110,015 baptisms for an average of one to every 11.8 members, and the continuing growth in volunteers is up from 3,793 in 1979 to 4,815 in 1980 which provides added strength to the overseas witness.

From the inception of their foreign mission efforts, Southern Baptists have believed that sending missionaries as a concrete incarnational expression of their love and concern for a lost world is a key purpose for the Board's existence.

So the program of support for Foreign Missionaries became one of the key six programs of the Foreign Mission Board, and its purpose is stated as follows, to find, appoint, arrange for support of, and to send out to foreign lands missionaries who must, previous to their appointment, furnish evidence of piety, zeal for their Master's kingdom, conviction of truth as held by Baptists, and talents for missionary service.

The Personnel Selection Department processed the appointment of 330 new missionaries for service overseas in 1980.

This was the third year in history that missionary appointments exceeded 300, and during the same year the total number of Southern Baptist Missionaries increased from 3,008 to 3,059 serving in 94 foreign fields, and this number includes 2,554 career missionaries, 244 associates, 246 journeymen, and 15 special project medical workers.

The relief ministries consultant coordinated efforts with area directors in providing help in the areas of hunger, malnutrition, preventable health problems and disaster response.

During the year, Southern Baptists expended $748,818 in general relief funds and $1,806,730 in hunger relief.

During 1980 Southern Baptists responded in hunger funds with over $5

million, this response sought not only to alleviate the immediate needs but also to eradicate the causes of hunger.

May God bless the great work that Southern Baptists are doing together in the great name of our Lord.

Respectfully submitted,
George A. Bradshaw

Dedication

We, the Stanly Baptist Association, dedicate the 1982 Minutes to the loving memory of one of our pastors.

Rev. Robert Conley James was born September 6, 1906 and died December 10, 1981.

He served the West Point Baptist Church, Kannapolis, N.C., for 14 years.

In the Stanly Baptist Association he served two churches: Fairview Baptist Church in Albemarle, for 14 years (1952-64), and the Calvary Baptist Church in Norwood for 2 years (1966-67).

He also served as interim at First Baptist Church, Norwood in 1974.

Note Burning

During the 98th Annual Session of the Stanly Baptist Association a Note Burning ceremony was held.

The Associational Center was begun in 1978 and the first payment on a loan of $50,000 was made June 1, 1979. The final payment was made September 23, 1982. Now that the Center is clear of debt we, in the association, are looking forward to the work the Lord will lead us to do for the Glory of His Kingdom.

Participating in the event are left to right, Dr. L. A. Faulkenbury, newly-elected moderator and pastor of Kinza Memorial Baptist Church; Rev. J. Clifton Dunevant, director of missions for the association; Rev. Larry Linker, chairman of the building committee for the Center, and pastor of Big Lick Baptist Church; and Rev. Keith W. Walters, retiring moderator and pastor of Kendalls Baptist Church.

The pastors who have served the church are Rev. Frank Rogers (1919- organizer and first pastor), Rev. C. B. Reid (1919-1926), Rev. D. E. Deaton (1926-1928), Rev. J. S. Tyson (1928-1935), Rev. W. B. Holmes (1935-1953), Rev. Leroy A. Calder (1954-70), Rev. B. J. Ferguson (1970-1977), and W. Wayne Bennett, Jr. (1978-). Music and Educational Directors who have served the church are Miss Ruby Cathey (1956-1957), Mr. Jackie Gill (1961-62), Miss Blenda Troutman (1963-1965), Miss Peggy Newkirk (1966-1973), Mr. Stephen F. Smith (1976-1978), and Mrs. Dawn Bennett (1978-).

The church was received into the Stanly Baptist Association in 1919, and the first services were conducted in a small store building on North Second Street, just across from the wooded grove where the church met prior to being organized. By 1921 the small store building proved inadequate for the programs of the church. A frame building with a basement and six Sunday School rooms was constructed and dedicated in 1921 on North Third and Yadkin Streets. As the years passed this building also proved too small for the growth of the church. In 1946, through the generosity of the Wiscassett Mills Company, a tract of land was donated on which the present building and parsonage stand. The auditorium, the educational building, and the parsonage were constructed within a two-year period beginning in 1949 at a cost of $125,000. A few years later an additional $25,000 was spent to air-condition and to develop additional Sunday School space.

The following ministers have been sent out from this church: Henry Biles, A. B. Cranford, Reid Harris, Tom Hearne, Leland Mabry, Ernest Smith, H. W. Stallings, and Truett Stallings.

The church has maintained Sunday School and Woman's Missionary Union since 1919, and these organizations have inestimable value in training and in Christian influence.

History of South Stanly Baptist Church

    Mr. Hensley said that if we got nothing more we should realize that if we

have accepted Christ, then we are missionaries no matter where we are. We should not be afraid to tell the world we belong to Christ. He then sang, "I'll Tell the World I'm a Christian".

    Fred Hopkins, Chairman of a committee to study the time element of our Annual Sessions, gave the following report: We, the committee to study the possibility of a one-day annual meeting, after contacting numerous ministers and laypersons within the association have found no just cause for reducing the two-day annual meeting. We find the disadvantages of such a change to far outweigh the advantages. Therefore, we recommend no change in the present day format. Jason Greene and Steve Williams were the other committee members.

35. Charles Broome, pastor of Aquadale Baptist Church, presented the report of the nominating committee. Motion was made to accept the recommendations, this was seconded and approved.

Church Clerk

To be selected Church Clerk of the Year, there are several requirements to be met. The Uniform Church Letter should be accurate, neat and prompt.

We appreciate the work of all the Church Clerks and would like to recognize them for the work they are doing for the church, the association, the State Convention and the Southern Baptist Convention. Theirs is an important task.

This year we would like to recognize Kenneth Furr, Clerk for the Plyler Baptist Church, for the Church Letter he prepared. This was his first year as Clerk, and we appreciate his work.

Thank you,
Alda Miller, Associational Clerk

Sunday School

The 1981-82 year was a productive year for Sunday School work in the association. The year was climaxed by a successful Leadership Conference with some thirty churches participating in the five-hour training event in which the new *How to Guide* books were taught.

Your dedicated ASSIST members have done an outstanding job "running the good race and fighting the good fight."

Our major emphasis for the next three years will be 8.5 by '85, a goal to reach a Sunday School enrollment of 8.5 million across the Southern Baptist Convention by September 30, 1985. Our associational goal will be to increase our enrollment by 1,000 members during the coming year, going from 10,500 to 11,500.

We urge each church to establish a goal to increase Sunday School enrollment during 1982-83 by at least ten percent. Furthermore, we encourage the formation of new classes, study course training, weekly workers' meetings, and more evangelistic Sunday Schools supported by organized outreach and visitation. Quality is emphasized as much as quantity.

May God give to each of us a vision of what our churches and Sunday Schools could be, if we would but (as John urged the church at Ephesus) return to our first love, from whom we have drifted.

Respectfully submitted,
Steve Williams

Church Training

Equipping disciples is the job of Church Training. A disciple is one who makes Christ the Lord of his life, which is evidenced by disciplined and regular study of Scripture, a vital prayer life, and a daily experience with Christ. It involves a nurturing and an edifying relationship with other Christians through church membership and an active witness to non-believers.

Discipleship is not optional for the Christian; it is the Christian's lifelong commitment to the person, teachings, and spirit of Jesus Christ. Discipleship is not a shallow, halfhearted, off-again, on-again type of commitment; it is singleness of heart, mind, and action.

Each Christian is to be involved in lifelong learning, growth in Christ-likeness, application of biblical truth, sharing his faith, and responsible church membership. Church training helps Christians in this process of growth. This is the work of a church's training ministry — helping Christians grow.

Church Training Equips Church Members for Discipleship and Personal Ministry.

Church Training Teaches Christian Theology and Baptist Doctrine, Christian Ethics, Christian History, and Church Polity and Organization.

Church Training Equips Church Leaders for Service.

Church Training Interprets and Undergirds the Work of the Church and the Denomination.

Woman's Missionary Union

The Associational W.M.U. directors have worked diligently this year striving to carry out "The Great Commission" as they tried to reach the churches who do not have one W.M.U. organization.

Mrs. Tony Smith, Mission Action Director, led the churches in donating toothbrushes for the Woman's Prison. $100.00 was contributed toward sponsoring the booth at the Stanly County Fair.

Mrs. W. E. Whitley invited Mrs. Sanford Smith to lead our Prayer Retreat at Anderson Grove.

Mrs. Raymond McDonald directed our Mission Study activities.

Mrs. Danny Abernathy and Mrs. Richard Lammonds planned a successful GAtivity at Anderson Grove with 266 G.A's.

Under the leadership of Miss Claudette Burris "The Action Express", the Acteen Newsletter, has been an added feature this year.

Outstanding B.Y.W. leaders were honored by the B.Y.W. Meeting at Oakboro, first by directors Mrs. Virran Crump and Mrs. Michael Aldridge.

Mrs. Carolyn Vargus, Home Missionary, spoke prior to the Baptist Women's Mission Night Out planned by Mrs. Austin Pate at Grace Church.

Albemarle First Baptist hosted 201 people at our Annual Meeting. Mrs. William Lewis, N.C. First Vice President, was the afternoon speaker. Rev. and Mrs. John McGee pierced our hearts with their experiences as missionaries to Africa. A warm feeling penetrated this meeting along with the fine meal furnished by the church.

"Laboring together with God", the Associational W.M.U. has attained the distinguished Achievement Level for this year.

Mrs. Marie Phillips

Brotherhood

One of the greatest challenges facing our churches today is involving our men and boys in missions. The Associational Brotherhood has accepted this challenge and hopes every church in the association will do the same.

I would like to thank everyone who helped in the Brotherhood work this year and their support.

A special thanks to brother Wayne Whitecotton and his work with the prison ministry over the years. He was called, during the year, to pastor Oakdale Baptist Church in Anson County and had to give up the prison work. Nathan Huneycutt from Big Lick, has taken over the prison ministry and we are pleased to have him serve in this capacity.

Our Sunday School at the Baptist Home is still very successful thanks to the dedication of Keith Byrd.

R.A. Director is a big load for one man and I think Wayne Furr has held up well. We appreciate what he has done for boys through the years.

I understand how it feels to have a right hand man with L. V. Whitley. Visiting other churches together, workshops together and just talking together. Thanks for your help.

A Disaster Relief Workshop was held in the Spring by Leroy Yates of Rockingham. September was our Brotherhood and R.A. Workshops held at First Baptist, Oakboro. The ones who missed these meetings missed a blessing.

We look forward to helping you accept the challenge this year.

Respectfully submitted,
David Huneycutt

Evangelism

Reports are still coming on the "Here's Hope" joint Evangelistic Crusade held in March and April, 1982. Interpretation Meetings were held across the state to suggest plans and basic thrusts for the Joint Crusade effort, sponsored jointly by the Baptist State Convention of North Carolina and the General Baptist State Convention. Churches conducted "People Search" and Lay Evangelism Schools, followed by local revivals. Figures to date indicate 2,932 professions and 34,266 rededications, with only 36 of our 80 associations being complete in their reporting. Comments from Pastors across the state are:

ASHEBORO, FIRST BAPTIST — "Best attended meeting in 7 years I have been here. Had excellent preparation . . ."

TABERNACLE BAPTIST CHURCH, Raleigh — "Best revival at Tabernacle in 42 years . . ."

BROAD RIDGE BAPTIST CHURCH, Robeson Association — "We experienced a very deep spiritual movement in our church, the effects are still evident . . ."

HIGHLAND BAPTIST CHURCH, Theron Rankin Association — "An evident manifestation of the Presence in each service . . ."

AARON BAPTIST CHURCH, Avery Association — "Several who have grown up in this church said it was the best revival they have had in at least 20 years . . ."

HUNTER HILLS BAPTIST CHURCH, Piedmont Association — "Best attendance ever; the Holy Spirit seemed to be present with great power."

"Here's Hope North Carolina" was the theme for the 36th Annual Statewide Evangelism Conference, February 8-9, 1982 in Greensboro, with 2,500 people in attendance; the best consistent attendance in recent years.

For many youth, this year a week at Caswell was the highlight of the summer, with Barry Wood teaching about discipleship during the Youth Evangelism Week. This was the year the Youth Evangelism Conference expanded to three — Asheville, Greensboro, and Fayetteville. These were tremendously successful meetings, with the largest number of youth ever attending.

As we move toward the time when Growing an Evangelistic Church will be our major planning tool and CWT will be the new witness training method, some pilot churches have started the programs. The Key Leadership meeting in Ridgecrest introduced the Associational Evangelism Chairmen to Growing Evangelistic Churches in North Carolina.

The Statewide Evangelism Conference will be held in Charlotte's Ovens Auditorium during February 7-8, 1983, with Dr. Wayne Ward leading Bible Study: Dr. Landrum Leavell, Dr. Bo Baker, Dr. Joe Ford preaching, and Dick Baker leading the music.

On February 1, 1982, J. W. Hutchens, Jr. became the Director of the Division of Evangelism for the Baptist State Convention of North Carolina.

Pray for him as he gives leadership in the area of evangelism. Pray also that the Lord of the harvest send forth workers into the fields which are white unto harvest.

Jerry McKinney

Music

I am happy to say that this year we have accomplished three of our goals for 1981: First, we have seen the zone concept put into practice. Our five zone directors are as follows:

Zone One ..... Dawn Bennett
Zone Two ..... Koni Whitley
Zone Three ..... Kolis Whitley
Zone Four ..... Becky Blalock
Zone Five ..... Aaron Brooks

The second goal was to have a fellowship meeting with all Music Directors in our Association. This would include and encourage volunteer and part-time Music Directors. This meeting did take place September 10.

The third goal was to have an Associational Youth Choir. This goal has already been accomplished through presenting the youth musical "Walk in Love". As of the time of writing this letter, we have already given the musical at Anderson Grove. We will be giving the musical at North Albemarle and also at the First Baptist Church.

As Associational Music Director, I desire the prayers of the association as I attempt to lead you in Church and Associational Music.

Stewardship

Developing Christian stewards is imperative in light of biblical teachings and the Bold Mission Thrust objective to give every person in the world an opportunity to hear and respond to the gospel of Jesus Christ by the year 2000. This calls for faithful stewardship and growth in Christian giving. Having a Bold Mission Thrust stewardship presentation in every church is a major concern for 1983.

The Stewardship Committee of the Southern Baptist Convention provides leadership, practical aids, and biblically-based materials for assisting churches in developing individual Christian stewards. The current stewardship theme is "Give Boldly — Defining My Growing Commitment." Magnifying giving through the local church is a primary emphasis.

Providing year-round stewardship development activities will help members grow spiritually. Tracts, activity guides, study course books, visual aids, budget programs, and money management materials are available to help churches in planning and conducting these activities. The materials cover the broad areas of stewardship education, (giving and money management), missions, budget development and promotion, and accounting (proper handling of the church's money).

WE RECOMMEND

1. That every church encourage its members to grow in the grace of giving, and in light of our Bold Mission Thrust goals, to give a greater percentage of their income through their church.
2. That every church accept the responsibility of teaching its members the principles of biblical stewardship and provide studies and activities through-out the year to accomplish this goal.

3. That every church seek to increase its budget income during the year by at least 15 percent.
4. That every church develop a unified budget and conduct a budget program that would emphasize the importance of each individual member's giving and involvement in the life and work of the church.
5. That every church elect and train a stewardship committee to assist the church in developing Christian stewards.
6. That the association assist the churches in accomplishing their task of developing Christian stewards by providing information and/or a conference explaining the stewardship resources available to the churches.

Christian Education

While recognizing their contribution to all areas of higher education throughout the Convention, North Carolina Baptists are able to emphasize their continued and increased contribution in the support of seven colleges and universities in the state. These institutions are as follows: Mars Hill in Mars Hill; Gardner-Webb in Boiling Springs; Wingate in Wingate; Wake Forest in Winston-Salem; Meredith in Raleigh; Campbell in Buies Creek; and Chowan in Murfreesboro.

The 1981-82 school year total enrollment was 15,798 students served by 1,768 faculty and staff members. The total student population was comprised from 58 countries. Following a trend that runs throughout the Convention, most students majored in medicine and teaching. Law students were the third largest group while church-related vocational students were fourth (665) in size followed by students in social work programs.

With the rise in recent years of criticism directed toward all of these institutions, Baptist colleges have moved quickly in reaffirming their Baptist heritage and commitment to serving the local churches as effective mission partners. Working in close cooperation with the Education Commission of the Southern Baptist Convention, these schools have witnessed a renewed interest in personal evangelism on campuses and increased recruiting and training of mission volunteers.

These colleges all have expressed their gratitude to students and our churches for the support they enjoy. We in the Stanly Baptist Association can reflect our gratitude by lifting up all these people before God in our daily prayers and by our continued support.

Respectfully submitted,
Leslie N. Schofield

North Carolina Baptist Homes, Inc.

The past year in our North Carolina Baptist Homes has been a good one. We have had 45 persons admitted to the ministry of our Homes and apartments. This represents 98,065 days of special care for an average daily population of 269 persons. The Lord's blessings continue to be poured out upon us.

Great things are in store for our Homes as we look to the Lord, to North Carolina Baptists, and to the future! The Trustees made a decision of far-reaching significance at their May meeting in approving a Capital Funds Campaign. The existing needs at the Hayes Home and the Nursing Unit in Winston-Salem present a primary challenge of this campaign. With success, we will be well on our way to adding much-needed nursing care beds, and resident rooms. We will also be able to provide much-needed upgraded services in relation to our present Nursing Unit, and also construct a desperately-needed Administration Building. We covet your prayers for the success of this effort.

Our major concern presently in our Homes' ministry is in regard to our benevolent care, assisting those who need supplementing financially. Gifts through the Cooperative Program and the North Carolina Missions Offering go a long way in understanding those who cannot pay the full cost of care. These gifts, totalling $516,804.00, provided 57% of benevolent care. The many residents who will be looking to the Baptist Homes' ministry for their care and the 43% short fall in mission gifts will place increasing demands on the already over-taxes benevolent funds. Also, many persons on the Homes' waiting list who cannot pay the full cost of care may have a longer period to wait because of limited benevolent funds.

We believe, therefore, that if you know the need, you will respond to it by the increasing support that you will give through the Cooperative Program and through the North Carolina Missions Offering. We will be looking to the Lord and to you to help us continue to be the benevolent ministry that we have always been.

We love you, and we thank you for your love, your gifts, and your prayers. As Abraham was about to deliver the fatal blow to his son, Isaac, he asked, "Father, where is the sacrifice?" Whereupon Abraham replied, "God will provide!" And so He did! And so, we believe that you will provide!

Mrs. Guy Walker

Baptist Children's Homes

The Charlotte Family Services Center of the Baptist Children's Homes of North Carolina seeks to serve children and families within an eight county area. These eight counties are: Mecklenburg, Gaston, Stanly, Anson, Union, Cabarrus, Lincoln and Cleveland.

We appreciate the opportunity to share our Baptist Children's Homes services with people in the churches and communities, and we welcome the help so many people give us when they share with others the story and ministry of the Baptist Children's Homes.

The Children's Homes has affected the lives of more than five thousand people during the past twelve months. With more than a dozen programs of care and with services being offered from twenty-five locations across North

Carolina. Baptists can be confident that the Baptist Children's Homes is seeking every means possible to serve needy people in Christ's name.

Our 23rd Annual Area Conference held at Newell Baptist Church was greeted by friends of long standing and many others who are learning for the first time the type of services and Christian ministry that has been offered for years. We invite you to participate in this annual event when it is held in this area.

Robert and Marie Knowles continue to provide excellent child care services for girls through the Charlotte Emergency Care Center, 9741 John Russell Road. This program is a joint effort between Mecklenburg Baptist Association and the Baptist Children's Homes of North Carolina.

The quality of life for our children has been enhanced this year by the addition of a therapeutic recreation team. Mr. and Mrs. Jim Martin have a fine background that will enable them to help our staff statewide to plan and provide recreation with purpose. They work out of Thomasville.

A new 16 mm thirty minute film was released in July called "You Needed Me" and is available for use in our churches. Contact the Children's Homes to schedule this inspiring, instructive film.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts. Like everyone else, we are being affected by short-falls in anticipated income. Programs have to be adjusted but we are careful to maintain quality care for those whom we serve.

Baptist Hospital

Believing that North Carolina Baptists have a right and a responsibility to know as much as possible about their institutions, we submit the following information on Baptist Hospital in the hope that it will be of some interest and help.

With 673 beds in use, the hospital admitted 23,350 patients during the past year and provided a total of 210,000 days of patient care. There were 65,381 additional visits to the hospital's outpatient clinics and the emergency room. These patients come from across North Carolina, from other states, and even from other countries to receive the specialized hospital care which our institution offers.

Many of these patients received traditional types of hospital and medical care, but others benefited from new procedures: (1) a new method of delivering anti-cancer drugs by means of an "infusion pump," which is implanted in the patient somewhat like a pacemaker for heart patients. For many patients this has proven to be a more effective and more convenient form of chemotherapy. (2) A new type of x-ray called "digital radiography," used principally for examination of blood vessels, which virtually eliminates expensive and cumbersome x-ray film. This method uses less radiation and requires less dye than standard angiography. It also requires less time and can sometimes be done on an out-patient basis. It is expected that this method can eventually be used in many areas of the body where x-rays are required. (3) A new type of dialysis for patients with kidney disease called "continuous ambulatory peritoneal dialysis," which involves leaving a special fluid within the peritoneal cavity for several hours while impurities

(normally removed by the kidney) are taken from the blood. This type of dialysis not only frees the patient from dependence on a machine but it is also less expensive than the more conventional forms of dialysis.

The Pastoral Care Department continues to provide a pastoral ministry to both inpatients and outpatients and to their families. The Department of Pastoral Care moved into a new wing of the hospital that was finished this past year. An outstanding faculty and creative leadership affords growing opportunities for ministering to the needs of people. C.P.E. or Clinical Pastoral Education is a distinctive learning approach in the theological education. This includes Basic, 400 hours of clinical education, Internship, four units of clinical education, Residency, and Senior Residency. To apply for this program a person must be engaged in a full-time church-related vocation or be studying for the ministry.

During the year, our hospital again received a two-year approval by the Joint Commission on Accreditation of Hospitals.

Despite many economic pressures, our hospital continues to operate in the black. It has recently adopted a budget for the new fiscal year which for the first time exceeds $100,000,000.

Gifts from churches during the past year through the Cooperative Program amounted to $479,997 and through the North Carolina Missions Offering and designated gifts totalled $345,765. We are indeed grateful to the churches and their members for this continuing fine financial support.

Annuity Board

How frustrating it would be to plan a vacation, only to arrive at your destination without any money. More than frustrating, it would be frightening. Perhaps you are saying to yourself, "I would never do such a thing!"

But we do allow many of our ministers and church staff members to go through life only to reach retirement age without adequate funds with which to face their "vacation" period.

In Stanly Baptist Association, nine of our churches are, perhaps unknowingly, "planning" for the retirement of their ministers so that they will have little or no money at all. In short, these churches are not participating in the Annuity Board retirement program. The results of such planning can prove disastrous.

On the positive side, we do have 46 churches (51 pastors and staff members) who are presently involved in the retirement program of the Annuity Board. But alas! Seventeen of these are still of the opinion that a minister can retire on a $200.00 a year investment. Not only is this unrealistic, it is a sin. God's people are called to provide for their pastors.

While we should be concerned about our giving to missions, perhaps we should be at least as concerned about our giving to our spiritual leaders. Knowledge that one's future is being provided for can free a person to do much better minstry and serve his church more effectively. Simply stated, providing for retirement is good stewardship.

It is suggested by the Annuity Board of our Convention that a 10% minimum be considered. This should come from direct income. The Commission on Ministry report of the Baptist State Convention of North Carolina,

November 1981, recommends that direct income should consist of basic income, housing, and utilities.

How well are you providing for your minister and staff? Do you even know how much your church is contributing to their retirement? Your Finance Committee can give you this information.

I want to challenge each of you to return to your church, find out exactly how much is being provided for your minister and other staff, and then consider upgrading their retirement programs if the need exists. Your Associational Annuity Board representative will be happy to assist you in sharing information on what is available, not only in retirement benefits, but in life, health, and long term disability insurance.

If this report seems harsh, then think seriously for a moment what it would be like for **you** to reach retirement age, only to discover that you could not live on the income to which you were entitled. Don't allow your church to be guilty of failing to minister to your ministers.

Christian Literature

Colossians 3:16 — "Let the Word of Christ dwell in you"

The Bible is God's Holy Word and should be read Daily by every Christian. We should love it, read it, study it, believe it, and obey it. Someone has said the reason we are in the awful condition we are today as individuals, churches, nations and the world is because of the way we treat God's Holy Book. The Bible contains truths every man, woman, boy and girl needs. Our greatest need today is a Back to the Bible movement.

Every church should provide its members with the **Biblical Recorder** and it should be carefully read by each member who can read. It is the best bargain in Christian literature to be found anywhere. **Mature Living, Home Life, Open Windows,** and other materials published by our own Baptist Press are worthy of our full support and should be used in all Baptist churches.

With pornography flooding today's market with smut and dirt through radio, TV, movies, and other media, it is not easy to select the good from the bad. Too much good literature is available for anyone to poison the mind with garbage.

A well-informed Christian is busy and active in the Lord's work — too many are anemic, inactive in the ranks.

Psalms 119:105 — "Thy word is a lamp unto my feet and a light unto my pathway."

North Carolina Baptist Foundation

When it was chartered in 1920, the North Carolina Baptist Foundation was charged with the responsibility of promoting the making of gifts, receiving and managing the gifts, and distributing the income earned from the investment of those gifts to the objects and causes specified by their donors. The charter further provided that those designated causes should be any and all objects and causes of the "Missionary Baptist denomination."

Today, the purpose remains the same. Baptist Foundation is the only agency of the Baptist State Convention which receives gifts for all Baptist causes: the colleges, universities and seminaries, Baptist Homes and Children's Homes, Baptist Hospital and the school of medicine, churches and associations, Foreign and Home Mission Boards, special mission offerings, Cooperative Program, and all other concerns of Baptists.

The objective and future plans of the Foundation are summarized in a brief phrase — promoting mission support through estate stewardship. Through conferences and seminars, through counseling with individuals and speaking to church groups, the Foundation will continue to support North Carolina Baptists in their efforts to become better managers and stewards of their material possessions. Through its role as trustee agency, the Foundation will serve North Carolina Baptists by enabling them to enjoy Christian stewardship in its fullest sense — even after death.

American Bible Society

Millions of people will recall 1981 as the year in which they were first introduced to God's Word — the year in which they discovered Jesus Christ — and for many of them the year in which they accepted Christ as their Lord and Savior.

Bible Societies around the world distributed a total of 444,130,089 Bibles, Testaments, Portions and Selections in 1981, an increase of 0.9 percent over 1980. The United Bible Societies is now directly or indirectly involved in translation projects in over 600 languages around the world.

AFRICA — a desperate shortage of scriptures exists in Africa. There are over 1,600 languages in Africa and 442 scripture translations projects are currently going on. Most of the New Testament has been translated into Etsako language, which is spoken by about 90,000 people.

ASIA PACIFIC — a shipment of 20,000 Bibles has been allowed into Vietnam for use by Protestant churches there. Bible Societies in the Asia Pacific region have continued their ministry among refugees.

EUROPE — a shipment of 35,000 Polish Bibles reached Poland safely just before martial law was imposed. The Gospel of Luke in Braille was sent to churches in Russia.

THE AMERICAS — in Nicaragua, 300,000 Spanish New Testaments have been distributed. The Bible Society of Brazil has printed 5,000,000 Scripture Selections.

THE UNITED STATES — scripture distribution in the United States showed a 29.2 percent increase in 1981. Southern Baptists contributed $321,409.97, or $.02 per member to the American Bible Society in 1981. The American Bible Society asks that this amount to increased in the future in order to make God's Word available to all who need and want it.

STANLY COUNTY — upon request the American Bible Society sent Bibles in Japanese and Laotian so our friends here could read God's Word in their own language.

Purchased and free material from the American Bible Society was used in our booth and chapel at the Stanly County Fair again this year. We appreciate the cooperation in our endeavors.

Christian Action League

The Christian Action League is grateful to God for the opportunities that He has provided in the past year to have a BOLD witness concerning current moral and ethical matters.

I. PRESIDENTIAL COMMISSION ON DRUNK DRIVING: The League was involved in the initial request to President Ronald Reagan concerning the naming of a Presidential Commission to study ways to reduce the needless slaughter of 26,000 people annually upon our highways due to drinking drivers.

II. GOVERNOR'S TASK FORCE ON DRUNKEN DRIVERS: When the idea of a Presidential Commission on Drunk Drivers became certain, the League called upon Governor James B. Hunt, Jr. to name a N.C. Task Force on Drunken Drivers in order to study this growing problem from our state's perspective and explore ways to remove that irresponsible element from our highways who insist on drinking and driving. The Governor accepted this recommendation and named a panel of outstanding citizens to conduct public hearings throughout our state and seek solutions to this growing problem. Public Hearings were held in Raleigh, Asheville, Charlotte, Winston-Salem, Greenville, Fayetteville, and Wilmington.

The Task Force will submit its recommendations to the governor. These will be compiled into the Governor's Crime Commission's legislative program for the 1983 session of the General Assembly.

These recommendations will include such provisions:

1. Raising the legal drinking age to 21 for the sale, possession and consumption of all alcoholic beverages.
2. Mandatory jail sentences for convicted drunk drivers.
3. Abolish the practice of plea bargaining for convicted drunk drivers. (Currently many are allowed to plead guilty to a lesser offense like careless and reckless driving, etc.).
4. Prohibit open containers of any kind of alcoholic beverage in a motor vehicle.
5. Prohibit public consumption of all alcoholic beverages.
6. Provide victim restitution due to alcohol-related accidents through additional taxes on alcoholic beverages.
7. Enact a DRAM law which will make the retailer criminally responsible for accidents caused by intoxicated patrons.
8. Abolish the practice of granting limited driving privileges for convicted drunk drivers.

III. STATE-WIDE CONFERENCE ON OBSCENITY: This historic event was held in Greensboro on March 30, 1982, when foremost national authorities were brought to our state to explore ways that we can rid North Carolina of the reputation of being the nation's "smut" capital. Due to the loop-holes that now exist in our obscenity laws, our state has more X-rated theaters and "adult" book stores (sex shops) per capita than any other state.

IV. SUCCESSFUL REFERENDUMS: The League rejoices in several significant victories during the past year. Pro-liquor-beer-wine forces were defeated in 13 campaigns, including Oakboro and Union County.

The Christian Action League is grateful for the prayer and financial support of the churches in this association. Through the N.C. Mission Offering, the League will receive $22,000 this year which is 19% of the budget. Without

your continued support, we will not be able to remain on the cutting edge of moral and ethical issues.

May we always remember: "All that is necessary for evil to flourish is for good people to do nothing."

General Board

There are so many things on the General Board programs it is impossible to cover very much in the allotted time. Having served three years on the Christian Social Service Council I realize the needs are great for these institutions.

The Children's Home is at a time when families and children's problems are on the increase. Also financial costs are greater. However, Baptist Children's Homes of North Carolina are making available their service to all areas of our state. This is the ninety seventh year of the Home and plans are now in the making for the 100th anniversary in 1985.

The Social Service Council works with North Carolina Baptist Homes for aging persons. One home, Resthaven, has been closed during the last year due to financial needs. Additional income from missions is needed to continue care for those now in our five homes. Although there is a waiting list of people it is not possible to admit them at this time. There are plans for a capital fund campaign to be presented to the convention for upgrading our nursing care and additional construction for seventy more beds. The apartment complex on the campus of Hayes Home in Winston-Salem continues to grow. These homes are very nice. The council visited some of them in August 1982.

The North Carolina Baptist Hospital is another institution the council works with. There the Department of Pastoral Care has experienced rapid growth in the last six years from approximately $600,000 in 1976 to 1½ million in 1982. About one third of this amount comes from the State Baptist Convention. The hospital was opened 58 years ago as an eighty bed community hospital. Today it is a seven hundred bed region and nation hospital. The hospital also needs more funds as more people today need medical care and cannot afford it.

These three institutions are a challenge to North Carolina Baptists and should be kept in the fore front of our work for Christ.

J. Gad Speight

Volunteerism

STANLY COUNTY: Pastors and laymen alike participated in the Stanly County Fair. A booth was set-up and staffed by men and women from our churches. Pictures of all 55 churches were displayed in the booth where tracts and New Testaments were distributed free to all who would take them.

The travel-trailer, set-up for a Chapel, was staffed by our pastors. We were able to supply clothing to three of the Carnival people. One man, attending the Fair, was led to make a profession of faith.

A special thank-you goes to those on the committee who worked for the success of this program.

WEST VIRGINIA: For the second year, a team went from our association to work on the mission fields in West Virginia. Ten of our people went to New Cumberland to work under Rev. Pat Brock, pastor of the Evangel Baptist Church in Weirton. Survey work was done — up and down the mountain — and three Backyard Bible Clubs were set-up. One young lady made a profession of faith. The Friday evening Bible Study has increased in number and by January a Sunday Service will be started. There were twenty-one families who expressed an interest in beginning a Southern Baptist Church in New Cumberland.

ENGLAND: At the invitation of the Baptist Union, the Foreign Mission Board (S.B.C.) enlisted twenty-two teams from churches primarily in the Greenville, S.C. area to be involved in a Partnership Evangelism Project with twenty-two churches in Southern England. A team of five members from churches in the Stanly Baptist Association had the privilege to participate in this project with the Ventnor Baptist Church, Ventnor, Isle of Wight. Thank you for your support in this never-to-be-forgotten experience as you encouraged us, prayed with and for the Ventnor Baptist Church and us, prayed for all of us during the September 15-29, 1982 project when we went there to work in that church and community; and now we are continuing in the fellowship of prayer for the evangelistic fervor of the English Baptists. You truly are partners with them and with us in financial, spiritual and prayerful ways and we pray God will continue to bless our efforts both there and here. Going with your Director of Missions and Mrs. Dunevant, were Jeffrey Chance, Grace Baptist Church, and Mr. and Mrs. Gene Boger, North Albemarle Baptist Church.

Continue to pray for partnership evangelism around the world.

J. Clifton Dunevant

Director of Missions

This has been a year of dreams come true and we have much to be thankful for in the work here in Stanly Association. Our responses and accomplishments have not been completely satisfying to each other as coworkers, nor do we believe that we have done all that God has expected of us; but we are grateful to all who have responded and for God's blessings on each effort.

Every accomplishment, every step upward, broadens our horizon and expands our vision of our task in the world under the leadership of His Spirit. So let us move forward with enthusiasm and the realization that we are not progressing toward a finished task (dead end road) but toward ever widening doors of opportunity in the Lord's work . . . and let us be committed to leading others to higher steps and greater vision.

As we have participated in People Search, Here's Hope Revivals, Church Growth Workshops, Discipleship Training, etc., etc., we pray that we envision that Bold Mission Thrust involves here at home **and** all the world. Thank you for your involvement with the teams going to West Virginia and England this year.

We rejoice in your paying off the deft on the Associational Center this year (in 3 years) **and** for your visions of moving onward in accomplishing

greater things through cooperative efforts — crowning our first 100 years with efforts to glorify God.

Here are some statistics — 1981-82:

4 statewide conventions, conferences, clinics, etc.
7 regional conferences and workshops
2 weeks in Partnership Evangelism Project in England
98 services in churches (speaking 73 times plus brief reports, etc.)
1 week at Director of Missions Conference at Wingate
1 week on chaplain duties at local hospital
Conferences with many individuals, groups and committees.
Traveled 26,989 miles related to duties

I don't feel worthy of the tremendous love, prayers, encouragement, and support you give me, but I am grateful; and I thank God for the privilege to serve with each of you.

Respectfully,
J. Clifton Dunevant

North Carolina Missions

The goal for the North Carolina Missions Offering this year is the same as last year — $2,750,000. This offering in 1979 replaced the previous offerings for the Children's Homes, Hospital, Homes for the Aging, Christian Education, W.M.U. promotion, and State Missions.

North Carolina Missions Offering by the churches of Stanly Baptist Association in 1981 was $47,008 as compared to $35,226 in 1980.

Among the ministries of North Carolina Baptists through the North Carolina Mission Offering, combined with Cooperative Program and designated funds are: 5 colleges, 2 universities, the Fruitland Bible Institute (an estimated one fourth of the pastors in North Carolina have attended Fruitland), child care facilities in 10 locations, the Baptist Hospital, along with its counterpart, Bowman-Gray School of Medicine, 6 homes for the aging, language missions, 4 camps, plus many other ministries throughout the state.

The needs this year are great and our Stanly Baptist Association has shown it cares by its increased giving. Our theme on State Missions is "Hope is something you give when someone needs your love" and North Carolina Baptists are continuing to "GIVE HOPE" by their support in ministering to the deepest needs of our state.

Respectfully submitted,
Nancy Jo Harwood

Home Missions

"Excitement and opportunity challenge Southern Baptists in national missions. There has never been a more critical time in this century in the life of our nation than today. The spiritual needs of our land are evident, and in Jesus Christ we have the answer."

— Dr. William G. Tanner
President, Home Mission Board

Working in all 50 states plus Puerto Rico and America Samoa, the Home

Mission Board has approximately 3,000 missionaries and over 300 Atlanta personnel serving full time.

The Home Mission Board also involves approximately 33,000 volunteers and special workers on mission fields every year.

More than 1,300 men and women are endorsed by the Home Mission Board as chaplains in hospitals, institutions, industry, and the military.

One-third or more of the home missionaries are language missionaries, ministering to Americans of non-English language and culture. 300 serve in Christian Social Ministries, and about 750 pastors receive Church Pastoral Aid.

Many Southern Baptist lay persons want to become personally involved in missions work, and can by volunteering to serve.

This can be done in several ways:

Mission Service Corp. — Volunteers raise their own financial support and serve for 1 or 2 years.

Christian Service Corp. — These volunteers support themselves by working at a secular job, and then conduct mission work in their spare time.

Sojourners of US-2ers — High school or college students may work a summer to two years in mission work.

Campers on Mission — Hundreds of vacationing families share Christ in this ministry.

Foreign Missions

MISSIONARY SUPPORT — New records were set in 1981 as an all-time high, 355 new missionaries, were appointed (208 of them career missionaries). 3,136 missionaries, including 2,688 career persons, worked beside national colleagues in 95 countries. On-the-field support was given by 4,709 Baptist volunteers. YET — 1,700 personnel requests remained unmet at the end of the year.

EVANGELISM — Brazilian Baptists registered over 40,000 baptisms. In the Philippines one person was baptized for every 3.8 members. A total of 127,337 baptisms were reported during 1981.

SCHOOLS — In 528 schools in 59 countries, 122,616 students received general education with a Christian witness. Ministerial training was given to thousands more national Baptist leaders.

PUBLICATION WORK — The Christian Message was published in several dozen modern languages. Indonesian Baptists planned a new hymnal. Special literature presenting Christ to Muslims was produced. Togo brought out three Royal Ambassador books in French.

HOSPITAL, MEDICAL CARE — In 21 hospitals and 112 clinics and dispensaries attention to physical needs provided opportunities to witness to patients and their families. There were only 54 doctors, 64 nurses, plus 49 other personnel to direct the care of many thousands.

RELIEF MINISTRIES — Expenditures totaled $373,564 for general relief projects and $3,154,493 for hunger-related needs. Southern Baptists reached multiple thousands of desperate people with badly needed food, water, and supplies during '81. In some cases, lives were saved; in others, lives were made more bearable.

CONTRIBUTIONS in 1981 totaled $95,580,007. The Lottie Moon Christmas Offering amounted to $44,713,596. The 1982 offering goal is $58,000,000.

There are still multitudes beyond the reach of anything we are doing to share the Gospel. "The destiny of the world lies in your heart", reminds R. Keith Parks, president, Foreign Mission Board.

Prayerfully submitted,
Marjorie Brewer

History of Philadelphia Baptist Church

The Philadelphia Baptist Church was constituted in 1891. Services were first held by Rev. E. D. Teeter, and Rev. P. G. Hartsell in the old Brooks School House located to the left of the new part of the cemetery, out in the woods.

Some of the people of the community started a little Sunday School, and a revival was held by Rev. E. D. Teeter and Rev. P. G. Hartsell in August of the same year. As a result of this meeting there were four conversions, with nine others coming from other churches, totaling thirteen members.

On October 4, 1891 Rev. E. D. Teeter and Rev. P. G. Hartsell, D. S. Morton, and Mrs. David Griffin met and proceeded to organize a church which was named Philadelphia, meaning Brotherly Love. A motion was made that this church be united with the Stanly Baptist Association.

The following year, 1892, work was begun on a new church which was a one room frame structure. Mr. Levi Tucker offered land for the church and also furnished much of the lumber. Other members and friends gave of their labor and means.

Several ministers have been ordained, and gone out from this church. Rev. T. F. Huneycutt being the first. Also Rev. Wilber Huneycutt, Rev. Carlon Dry, and Rev. Leon Whitley.

In the early fifties, a decision was made to build a larger brick church with an educational building and pastorium. After this was completed in the 1950's, the dream of these great men of God, in 1891, had truly become a wonderful reality, and now stands as a great monument to this community, and to God. The church has enjoyed a steady growth for many years.

Rev. Dwight Mabry is the current pastor.

History of Anderson Grove Baptist Church

In 1854, 16 persons from the Kendalls Baptist Church of Stanly County, organized the Liberty Hill Missionary Baptist Church. It was a small log building located about one half mile south of the present location. Those who were charter members of the venture of faith were: Elisha Laton, Martha Ann Laton, Alexander Biles, Franklin A. Laton, Thomas Biles, John Lilly, E. J. Laton, Wincey H. Laton, Linda J. Laton, Caroline Biles, Sarah C. Laton, Mary Pickler, Mahaley Byrd, Sarah H. Carter, Lousinda McDaniel and Patsy Wilson.

The Reverend Henderson Carter was called as the first pastor in 1854 and served until 1864. The first two deacons were Alexander Biles and Franklin Laton.

The Church joined the Pee Dee Association and remained a member until 1869. A period of about 7 years passed with no pastor during the reconstruction days following the Civil War.

In 1869 the Church joined the Rocky River Association, which later became a part of the Stanly Association and has remained in this association until today.

The second pastor was a Reverend Stoker, who was followed by the Reverend Solomon. The fourth pastor was Reverend Oscar Haywood.

In 1880, Reverend J. C. Denny was called as pastor, and during his ministry the name was changed to Anderson Grove Baptist Church. Part of the present location was given by Dr. Richard Anderson in 1880 and a new log building was erected. In 1904 a new frame building was erected and in 1917 rooms were built on each side, making wings to the church. Again in 1932 five more Sunday School rooms were added to the building.

The people continued using this building until 1951, when the present building was erected. A parsonage was erected in 1972 and a fellowship building was completed in 1983.

The Church has several members who have entered a Christian Vocation. Included in this number is one who serves with the Foreign Mission Board.

Rev. Richard Poindexter is the current pastor.

Resolutions Committee Report

We, the Resolutions Committee, on behalf of the officers, messengers, and visitors, meeting in this 99th Annual Session of the Stanly Baptist Association, do hereby extend to the Philadelphia Baptist Church and the Anderson Grove Baptist Church our deep and sincere appreciation for their Christian hospitality and graciousness, for the delicious meals we were served, and for their efforts in making our meeting most enjoyable in every way.

Be it Resolved that all messengers extend their appreciation and thankfulness to Mrs. Alda Miller, the Clerk and Secretary, for her work in preparation of the Book of Reports.

Be it Resolved that all messengers extend appreciation to our Moderator, Vice-moderator, Music Directors, Instrumentalists and Program Committee for the organization of the sessions.

Be it Resolved that we extend our gratitude and support for the cooperation of those churches sending volunteers for the past three years to the West Virginia Mission Program for the purpose of establishing 100 churches in West Virginia by the year 1985.

Be it Resolved as we close this 99th Session of the Stanly Baptist Association, that we pledge our support and prayers to our Director of Missions and that we pledge ourselves to pray daily for our pastors, who constantly bear the burden for the lost, the sick, and the unchurched within our association, and for the North Carolina Baptist State Convention leaders who give of themselves to the work of the Kingdom.

Be it Resolved that this 99th Session give our thanks and gratitude to the Stanly News and Press for coverage of these sessions.

Whereas, Baptists have historically affirmed and labored diligently for the principle of separation of Church and State and the right of individuals and groups to exercise freedom of religion,

Be it Resolved that the messengers to the 1983 Stanly Baptist Association support the Fellowship of Christian Athletes at West Stanly High School for the Christian fellowship and spiritual growth it has afforded the youth of the school,

Be it further Resolved that we implore officials of the Stanly County Board of Education to allow the Fellowship of Christian Athletes every constitutionally guaranteed right to uninhibitably practice their faith with regard to voluntary prayer — both private and group — and with regard to the right to assemble as an expression of solidarity in their Christian faith.

Be it Resolved that we affirm the essential call of the New Testament Church is to meet Human and Spiritual needs wherever they find it. It is Christ who breaks the power of sin, sets captive free, and gives both abundant and eternal life. (I John 5:12). Our task is to present the gospel so persons will respond in faith that brings new birth. Our mission, meaning, and method is best understood within the context of the Church Community, as it is empowered by the Holy Spirit. Our basis is the Word of God, our mission is the mission of Christ Himself who came to seek and to save that which is lost, this is the unchanging mandate of the Church. Dr. Keith Parks, of our Foreign Mission Board has written, "God has placed the world in our hearts.

He has given us a responsive, dangerous opportune moment in history. God is loving us to love a lost world."

Respectfully Submitted by, Mr. Jack Laxton, Rev. Jerry Mabry, Rev. Henry Jenkins, Chairman.

(This resolution was approved by the 99th Annual Session of the Stanly Baptist Association, October 19, 1983)

Church Clerk

Getting the information for the Uniform Church Letter is a tremendous responsibility on the part of the Church Clerk. If the pastor and the leaders of the various organizations do not get the records to the Clerk there is no way the Letter will be done correctly or on time.

We would like to take this opportunity to thank those who have done a good job — getting the Letter into the Association during the first week in October. It takes some urging to get this done.

On some Letters there may be a discrepancy in some of the figures. If you are looking for the record of your church and there seems to be some wrong information, perhaps the Clerk has not been able to reach you to make the corrections. Of course, there is room for mistakes on the part of all of us.

Thank you for the time you have spent in getting the information together. I know some of you really had to make a special effort.

Respectfully submitted,
Alda Miller, Clerk

Sunday School

In many respects, the 1982-83 year was a very successful year for Sunday School work in the Stanly Association. Many churches, acknowledging the principle that we multiply by dividing, have reported the establishment of new Sunday School classes during the year, which are now going strong. The concept of weekly workers' meetings is catching on and, in addition, great efforts are being made to create a more evangelistic climate in our Sunday Schools.

Workers are expressing the need for more training and, as a result, study course training is experiencing a genuine revival. In May your Associational Sunday School Director had the privilege of leading a two-night teacher training workshop at Memorial. In February he was privileged to speak on outreach at a Sunday School rally conducted by Bethel.

The year was climaxed by a five-hour leadership conference conducted at Grace on September 11. Sunday School, Church Training, WMU, and Brotherhood leaders from every corner of the county gathered for a great time of training, good food, and fellowship.

Words are inadequate to express my appreciation for the dedicated service rendered throughout the year by your ASSIST members. May God bless richly each one of these Christian servants.

Great things are happening in Sunday School work throughout the Association. Let us keep before us the vision of 8.5 million in Sunday School by September 30, 1985. "Where there is no vision the people perish," yet with a vision, His faithful will flourish.

Respectfully submitted,
Steve Williams

Church Training

Southern Baptists have long been known as a reaching people. Evangelism has been our forte. Now, along with evangelism, we are also becoming known as a discipling people. Church Training is leading the way. **Survival Kit for New Christians**, Master Life, dated periodicals, Equipping Centers, and Disciple Life are widely recognized as effective tools for training disciples. Now in this same spirit comes Developing Believers.

Developing Believers is a year long plan for involving church members in discipleship training. Its five point thrust may be carried out altogether as a unit, or individually. **Dynamic Doctrines** is a three month emphasis in the fall of 1983 and 1984 contained in the dated periodicals. It will key on specific doctrines needed in our churches today.

The remainder of the year's dated periodicals will feature **Belief and Behavior.** In this material the emphasis shifts from doctrine to the practical side of living what we believe.

There is opportunity for the Pastor to select Equipping Center modules to teach and train his people to develop spiritually. These Pastor's Seminars are scheduled for February, May and July.

The Church Training Doctrinal Study, scheduled for April, will feature the **Doctrine of the Holy Spirit.** This study may be taught on a seminar basis, consecutive nights, or one night per week, during the month. It is an age level graded program that offers an opportunity for study for everyone.

The whole Developing Believers Emphasis begins with a **Believers'**

Ministry Convenant. It is vital that the church unite in their vision for growing and building disciples for service to the Lord.

Here in Stanly County our "M" Night, 1983, will be a Developing Believers Rally. Churches that are developing and training believers are growing churches. They have a vision for the future and are laying the foundation with trained, qualified, Spirit-filled leadership. If there has ever been a time for leadership, it is now. Let us enter into a new year with renewed enthusiasm for Developing Believers for Christ.

Woman's Missionary Union

"Laborers Together With God" has been our inspiration for effective associational WMU goals, this year, and let to "Distinguished WMU" on the Achievement guide. Each church without WMU was contacted, and existing ones encouraged to begin new age-levels.

Mountain View organized a WMU this year and a very enthusiastic one.

Leadership and Mission Support Workshops were held at Oakboro, First and South Albemarle.

Mrs. Tony Smith, Mission Action Director, encouraged churches to contribute knee-high hose to North Carolina Correctional Center, and assistance to the battered women's shelter in Lenoir.

Mrs. W. Eugene Whitley invited Dr. Jerry McKinney to lead our Prayer Retreat at West Albemarle.

Mrs. Raymond McDonald planned a county-wide Home Mission adult book study and engaged author Phyllis F. Thompson to teach, **SODBUSTERS**, at Pleasant Grove.

Mrs. Richard Lamonds and Mrs. Danny Abernathy led in all G.A. Meetings including GAtivity held at Grace Church.

Miss Claudette Burris and Mrs. Larry Smith concluded their year with an Associational Acteens' Recognition Service at Pleasant Grove.

Mrs. Michael Aldridge and Mrs. Virran Crump chose Mrs. Saralynn Collins to speak to BYW members at North Albemarle.

Baptist Women Director, Mrs. Austin Pate, secured Amy Perez to speak at the Baptist Women's Meeting at Anderson Grove.

North Albemarle hosted the Annual Meeting as Mrs. J. Marse Grant reminded us, we are accountable to God. Rev. Robert Bates enlightened us to Southern Baptist work in Chile.

Much has been done, but we have many more to enlist, so greater work can be accomplished for our Lord.

Brotherhood

Taking an active part in a brotherhood organization should be the goal of every man and boy.

R.A's have been active this year under the leadership of Darryl Shaver.

Aaron Brooks had a good turnout at West Stanly for the track meet, even in the rain.

Benson Kimrey led the Softball teams through a successful season.

The campout at Camp Barnhardt, led by Jeff Russell, was enjoyed by all that attended.

The Baptist Home has a special meaning to all the men that teach Sunday School there. Keith Byrd's job has been made easier by their dedication.

The prison ministry is still very active with Nathan Huneycutt in charge.

A big thanks to these men and those who helped them in their respective activities. Also to L. V. Whitley and his faithfulness throughout the year.

With the Lord's help this coming year can be the best ever.

Evangelism

Growing Evangelistic Churches in North Carolina a five-hour seminar inaugurated this year, was a major strategy emphasis of the Evangelism Division during 1983. It was taught in 20 associations involving more than 600 pastors. This seminar will be taught in our association, April 16-17, 1984.

Continuing Witness Training also began this year in North Carolina. The seminar involves 9 sessions during four days. The method taught provides for the multiplication of those trained — each one trained — trans two more; those three each train two more, etc. Two seminars are planned for February and April, 1984.

Dr. Jimmy Draper, S.B.C. President, and the Musical Group, TRUTH, led the 1983 Youth Evangelism Conferences in our state. Several hundred youth responded to the challenge of Christ voiced by His messengers. The Youth Conferences for 1984 will be held May 3, at Murfreesboro; May 4 at Winston-Salem and May 5, at Asheville.

The State Evangelism Conference was held February 7-8, 1983 in Ovens Auditorium, Charlotte, N.C. The theme for the conference was "REACHING PEOPLE". The 1984 Statewide Evangelism Conference will be held February 6-7 at War Memorial Auditorium in Greensboro, N.C.

Music

People everywhere enjoy some type of music and I believe the Stanly Baptist Association is no different. The music from our 55 churches is probably not the same, but the message is. That message is of Jesus Christ and God's love for us.

As a major goal for the music ministry in the association, we hope to have one or two Associational Gospel Singspirations during the year. The number will depend on the response. Hopefully, the musical talent from the

churches will be the participants. Any church that is not able to send participants is encouraged to attend and receive a blessing also. Sometimes, the message in music can speak to us when a spoken message cannot.

A second goal for the coming year is to again have zone directors for the five zones. Zone directors can be a great help in communicating associational music information.

To be able to accomplish any goal in the association, it takes three important elements. These are prayer, preparation and participation. Will you covet with me to pray, prepare and participate?

Youth

I John speaks to the youth today by saying, "Love not the world, neither the things that are in the world . . . for all that is in the world, the lust of the flesh, the lust of the eyes, and the pride of life, is not of the Father."

There are many great temptations in our world which tempt our youth to go astray. Some do, but for the most part our youth are good responsible people. And most of the time they are only doing what they see and hear the older people do and say. Most of the youth today will follow the way of God if their teachers and leaders go the way of God.

An example of this can be found in the "He Is Alive" youth rally we had this year at Anderson Grove Baptist Church. Youth from about twenty churches were present. They enjoyed singing about Jesus, and hearing the Word of God preached. At the close of the service more than twenty five youth came to the altar with one of these accepting Jesus as Lord of her life.

God has been good to us by allowing us to have these young people in our life. Let us be good to God and the youth by leading them back to God.

Seminary Extension

"Developing Believers" and Strengthening Families" is a major emphasis for spiritual growth in our conventions through 1985.

The Seminary Extension Program offers an opportunity of continuing education for interested pastors and laypeople in our area. Our association is enthusiastic about the prospects for an extension program for Stanly Baptists.

Begun more than thirty years ago as a joint effort of all six Southern Baptist seminaries, Seminary Extension has brought basic theological education to thousands of persons who have been unable to attend a seminary.

The Seminary Extension Department has an assignment from the Convention to provide learning opportunities for (1) ministers without college or seminary degrees, (2) seminary graduates desiring continuing education, and (3) lay Christians interested in "academically oriented" study. Special attention is given to the more than 50 percent of all Southern Baptist pastors who have not yet had any seminary training.

Learning resources of the Seminary Extension Department include a

variety of college-level courses dealing with biblical, theological, historical, and practical ministry areas, each developed by seminary professors. Also available are pre-college (easy-to-read) ministry courses and guidance for non-credit individual study.

The question is asked, "How long does one keep on learning?" And the answer is "Always!".

Stewardship

The doctrine of stewardship as taught throughout the Bible is God's plan for reaching the world for Christ. Not only should our churches teach and train its members in the stewardship of their money, but in time, talents and service to Christ through being willing to spread the Gospel of Christ.

Our denomination at the State and Southern Convention levels offers churches literature and helps in promoting stewardship in the local churches. However, this material will do no good unless the churches request and use it. Also, our State Stewardship office will provide any church with someone to help them organize and promote stewardship if they will contact the State Stewardship office.

If we are going to give to the world the opportunity to hear the Gospel by the year 2000, the local churches are going to have to play the leading role by developing individual members to realize they will have to give an account of their stewardship to the Lord on the Great Day of Judgement.

We recommend:

1. that every church start now planning a Stewardship Clinic in each local church where all members can be exposed to the Bible Doctrine of stewardship.
2. that every church seek to increase its giving to missions through the Cooperative Program.
3. that the Association cooperate with churches in promoting stewardship by providing any help available through the Association which includes film, filmstrips and literature and help through the Stewardship Committee of the Association.
4. that all churches pray that our association of churches become aware of their stewardship responsibilities.

North Carolina Baptist Homes, Inc.

Through North Carolina Baptists, God continues to bless our North Carolina Baptist Homes with meaningful blessings, and we are grateful!

One of the most significant blessings that we have received during the year has been a 31% increase in the percentage used for distribution of funds through the Cooperative Program. This percentage change, along with strong Cooperative Program support during the first five months of 1983, has meant an increase of $29,079.73 over the same period in 1982. Total Cooperative Program funds for the period totalled $135,647.39.

For the first five months of 1983, undesignated support through the North Carolina Missions Offering provided $74,087.47 toward the Homes' benevolent care needs. Designated gifts of $42,274.58 brought the total NCMO support to $116,362.05.

Through these mission gifts of $252,009.44, we were able to provide care for over 50% of the residents in the five Homes and Nursing Care who have limited resources. Even with this mission support, benevolent care exceeded the resources by $132,975.00 for the five-month period. This gap must be bridged, and we must continue to receive more through the Cooperative Program and the North Carolina Missions Offering if we are to meet the needs of residents in the Homes. This still leaves the many who are waiting to enter the Homes, but do not have sufficient funds to pay the cost of care.

The needs of older persons in our nation and states become more and more acute with each passing day. It is imperative that we focus more on the needs and that we provide as wisely as we can for them in the family of our North Carolina Baptist Homes, now and in the future.

We believe that the future of the Homes' ministry is in God's hands. We shall continue to trust Him for our needs, and urge you to join Him and us as we strive to meet the needs of this vital ministry to older persons.

Frances Newton

Baptist Children's Homes of North Carolina

The mission of the Baptist Children's Homes of North Carolina, Inc., is the care of dependent, neglected and homeless children; emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their families. The broad purpose of the institution embraces services directed toward the preservation, conservation and rehabilitation of families to avoid wherever possible the placement of the child away from his home.

There are seven Family Service Centers, along with the Family Resource Center in Thomasville, which are now active in providing for the delivery of all services and programs to a client's needs. There are group homes for campus living in Thomasville (Mills Home), Kinston (Kennedy Home), Pembroke (Odum Home), and Clyde (Broyhill Home). There are Emergency Care Homes across the State. These are for school age children whose families are experiencing a crisis. Also there is a Maternity Home in Asheville, and numerous Foster Homes across our State.

A Therapeutic Camp Program is located near Vass. Youth caught in an apparent failure cycle have the opportunity to turn hostility into trust . . . bitterness into acceptance . . . guilt into freedom.

In its Christian consciousness, the Baptist Children's Homes see the purpose of its ministry as the redemption of the children and the family. This ministry includes the expression of love and wisdom in evangelism, mission and education with emphasis upon a constructive attitude toward problems and the intellectual and spiritual growth of children and youth toward mature manhood and womanhood.

We welcome and offer our prayerful support for the new president, Dr. Michael C. Blackwell, of the Baptist Children's Homes of North Carolina.

Baptist Hospital

Officials of the North Carolina Baptist Hospital revealed plans for an $86 Million expansion and renovation project. The hospital is faced with new challenges — an increasing number of inpatients and outpatients with increasing complex medical problems, too little space to care for those patients and complex arrangement, departments which offer services needed.

To enable itself to meet those challenges with a renewed commitment to each individual's spiritual and physical health, Baptist Hospital has developed plans for an expansion program. In order to implement these plans the hospital is needing approval from the State Convention to borrow funds not to exceed $86 million. The General Board has approved the request and will recommend it to the annual meeting of the State Convention in Greensboro.

Baptist Hospital has celebrated its sixtieth anniversary during 1983 by continuing to expand and improve its services.

During the year the hospital has installed a nuclear magnetic resonance machine in the Department of Diagnostic Radiology. With the use of radio waves, this machine produces pictures as good as or better than standard x-rays and can also provide valuable information based on the body's chemistry without posing any radiation hazard.

Baptist hospital is also providing a new treatment aimed at finding and removing the cause of heart attacks. The procedure attempts to dissolve clots in the coronary arteries feeding blood to the heart muscle by injecting a clot-dissolving drug through a catheter.

During the past year a survey team from the North Carolina Department of Human Resources designated the hospital's Emergency Department as a Level I trauma center which indicates that the department offers all major services for serious injuries twenty-four hours a day seven days a week.

Because of these and other services provided by the hospital, a total of 23,903 patients were admitted to its approximately 700 beds during the year for a total of 213,021 days of patient care. An additional 66,039 persons visited the hospital's emergency room and outpatient clinics.

The Department of Pastoral Care provided more than 14,000 hours of pastoral service to hospital patients, their families, and the Medical Center staff besides leading at least four worship services each week in the Davis Memorial Chapel.

The Pastoral Counseling division provided 14,493 hours of counseling to persons who had individual or family problems or concerns. The Clinical

Pastoral Education division provided training at some level for more than 100 students. During the past year Dr. Mahan Siler, who has been with the department for ten years, resigned as its director in order to return to the pastorate.

In order to provide adequate care of its patients, Baptist Hospital employs approximately 3,500 people and has buildings and equipment valued at more than $100,000,000. The operating budget for 1983 was $101,000,000.

During the 1982 fiscal year the hospital received from the churches of the Baptist State Convention a total of $497,019 through the Cooperative Program and $343,665 through the N.C. Missions Offering. Cooperative Program funds helped to underwrite the budget of the Pastoral Care Dept. and the gifts received through the N.C. Missions Offering assist financially needy patients in paying their bills.

Annuity Board

The most important thing that one should be concerned about is having the assurance that all is well with his Soul. To know that when he comes to the end of this life a place has been prepared for his comfort and welfare. It is indeed a very dangerous thing for one to go from day to day neglecting this so important a matter and fail to make the proper preparation for the life to come.

The next most important thing for one to be concerned about is whether or not he is going to be taken care of financially when the time comes when he no longer gets that weekly pay check. If there has not been some provisions made the circumstances are going to be bad. This is not only true with the one who does secular work, but also true with a pastor or fulltime staff member in the church.

The Southern Baptist Convention has a wonderful savings plan called the Annuity Program. A small amount of the Pastor or staff member's salary (it should be no less than 10%) is paid, by the church and the Convention, into this Program which continually draws interest. The monthly amount that a retiree draws depends on the number of years it has been in force and the amount of money that has been sent for this purpose.

About one out of six of the churches and pastors in the Stanly Association are not participating in this program. Church leaders, check and see if you are taking care of your Pastor in this important matter. You owe it to him.

Christian Education

Jesus gave to his followers the mandate to teach in the Great Commission. (Matthew 28:19-20). We are pleased as North Carolina Baptists to be able to provide seven colleges and universities plus one seminary for our people. They are: Campbell, Chowan, Gardner-Webb, Mars-Hill, Meredith, Wake Forest, Wingate, and Southeastern Seminary.

North Carolina has been a leader among Baptists in Christian Higher

Education for 149 years. So you can say we believe in providing for young and old alike an opportunity to be trained and equipped for the work God has called them to do.

Two of our institutions have new faces at the presidency. They are: Dr. Paul Corts of Wingate College and Dr. Thomas Hearn at Wake Forest University. I hope you will pray for these men as they come to our educational family.

All of the Baptist schools want to serve more of the students from churches. They would like to enlist the help from pastors and lay leaders by recommending a Baptist College to them. Information can be obtained by writing to the Admissions office of the desired school.

We thank you for your support of our colleges and seminary. Please continue to favor us with your young people, your gifts, and your prayers.

Christian Literature

Acts 2:42 And they devoted themselves to the apostles teaching and fellowship, to the breaking of bread and the prayers.

The Holy Scripture is the core of our teaching material. It throws light on commentaries and all Christian books that are written. The Bible has inspired a multitude of current writings.

They Cry Too! by Lucille Lavender reviews the minister's humanity, needs and his work. It is published by Hawthorn Books. **Self Esteem The New Reformation** by Robert H. Schuller, Word Books, keys on the Lord's Prayer as a basis for the new reformation of believers and the church. He makes the point that we must become serious about "deliver us from evil".

Real Evangelism, by Bailey E. Smith, through Broadman is good study for pastors who want to do a complete job in sharing their faith. It helps in the work of teaching the converts. In aid to understanding the salvation experience, James E. Loder's, **The Transforming Moment**, Harper and Row, is among the best recent books.

In the past five years much research has been done on "Church Conflict". Getting To Yes, by Fisher and Ury, Haughton Mifflin Company, Boston, **Resolving Church Conflicts**, G. Douglas Lewis, Harper and Row, and **Church Fights**, leas and Kittlaus, Westminster Press are among the most helpful to pastors and laymen alike.

We are indeed thankful for what Baptists of North Carolina are doing to guarantee support for the multitude of Christian missions and ministries carried on by Baptists, and for those who serve in the Trustee role as managers of trust funds established by gifts from individuals, both living and through Will.

During the past year increased interest has been shown by individuals attending estate planning seminars sponsored by the Foundation and through personal visits by Foundation staff. Greater numbers are commit-

American Bible Society

The American Bible Society, in partnership with other Bible Societies, has continued its tradition of excellent minstry over the last year. The world wide distribution of literature was up a total of 9.1 percent over 1981's figures. This means that the Bible Societies gave the following:

— 10,883,159 Bibles
— 12,177,593 Testaments
— 32,575,846 Portions
— 428,996,939 Scripture Selections

Efforts to increase this ministry are going apace with the resources at hand. The ABS is involved in translation projects in 574 languages around the world. In 375 of these, the Word is being translated for the first time.

While its international ministry is important, the ABS is also active at home with many important programs. Especially important is the distribution of Testaments among prisoners in the United States.

Many Southern Baptists are among the Society's volunteers. The dedication of these volunteers makes possible the local distribution of the Scriptures at cost and often below cost.

It seems that the task of distributing the Bible world wide is well in hand. However, there is a growing shortage of Scriptures all over the world. Increased missions activity and growing literacy in Third-World countries has increased the demand as never before. The American Bible Society has renewed its determination to meet these growing needs with a further increase in its ministry. This means that support from groups like the Southern Baptists is more important than ever. The present goal is to increase our giving to just under three cents a member. Surely this is a small portion of money to pay for a great measure of comfort and conviction that the Bible brings to those who have the opportunity to read it. May we exercise wisdom in this matter of eternal import!

Christian Social Ministries

The terms "Christian" and "Social Ministries" have not always gone together as smoothly as peanut butter and jelly. The Church's thrust is to bring people to Christ, while state and federal agencies are to deal with social issues. How unfortunate that our vision is so narrow! Christ is concerned with the whole person, not just his or her spiritual life. The gospel accounts of our Lord find him meeting all of the needs of those with whom he had contact. As his body, we are also to react to meeting human need regardless of life style, race, culture, or even religious background. God will judge us in accordance with our reaction to these, so it behooves us to become sensitive to those around us who are lacking.

Fortunately, Jesus does not call us to accomplish in his name those things which are not within our capacity. In fact, so many of the ministries which he commands us to do are simple, everyday things. He both invites us and challenges us to respond in such a way as to visibly express to people our deep love for our heavenly Father. In answer to the question of his disciples, "When did we ever . . .?," Jesus replied, "I tell you, whenever you did this for one of the least of these brothers of mine, you did it for me!" (Matthew 25:40).

In Stanly County, as in all other counties within our state and nation, there are those who have special needs: the blind, the deaf, the mentally and physically handicapped, and those who are being abused physically, mentally, and sexually. What is your church doing locally to help people who are being affected by these? Would you be willing to begin a Sunday School class especially for the mentally handicapped? What about volunteering to learn sign language in order to help a deaf person "hear" the gospel? These are but two examples of how churches can creatively meet the needs of those who need a little extra from us. God's love is always action-oriented.

The challenge is before us. The question is simple: Will you become involved — as an individual, and as a church? I ask that you pray for God to raise up volunteers to serve with me so that goals and action plans may be devised which might bring about a higher quality of life for some of our brothers and sisters in Christ.

General Board

The Church year of 1982-83 can certainly be called a year of change for North Carolina Baptists. With the transition of Marse Grant leaving the Biblical Recorder and R. G. Puckett taking over as editor there were some moments of concern and anticipation.

Then there was the moving into our new Baptist Building. This I feel is a move that all of our people should be proud and thankful for. Many General Board members, Dr. Cecil Ray, his staff and numerous friends of North Carolina Baptists made this dream a reality and should be given a word of appreciation for their love and labor.

Also Doctors W. R. and Elizabeth Wagoner retiring after twenty-five years of outstanding and dedicated service at North Carolina Baptist Children's Homes with Dr. Michael C. Blackwell becoming the new president.

Now we come to another change which at this time seems inevitable with Dr. Cecil Ray leaving as General Secretary to accept a position with Southern Baptist Convention. It is with regrets I am sure that our Convention will accept his resignation. However, we must accept the fact that our Lord has a greater need for him in another area of life. Our faith, trust and prayer will surely bring to us another fine Christian person to fill this position.

Allow me if you will to add a personal note to thank all of our Baptist people in the Stanly Baptist Association for permitting me to serve this four year term on the General Board. It has been a very rewarding experience.

Christian Life and Public Affairs

We are grateful to our Lord for what your association has meant to the cause of social and civic righteousness in our state in the past 12 months. you have assisted the efforts of the League with appropriate action along with your prayer and financial support.

We wish to list just a few of the strategic issues where your voice was so influential.

I. SAFE ROADS ACT OF 1983

Due to the growing problem of the needless slaughter of innocent men, women, and children upon our highways due to drinking drivers, the League called upon Governor James B. Hunt, Jr., to name a Task Force to study this problem and seek constructive recommendations to be presented to the 1983 General Assembly. He complied with this request, and the recommendations of the Task Force were compiled into the Safe Roads Act of 1983. Even though the powerful beer-liquor-restaurant lobby along with other alcoholic retail groups were able to "water-down" some key provisions in this legislative packet, we at least have a measure that can be strengthened in the future to deal with the irresponsible drinking driver.

II. STATE LOTTERY

With the General Assembly seeking additional tax funds, it became apparent that an easy route for the politicians to take would be to put the state into the gambling business via a state-wide lottery.

The League organized the opposition to this issue. When the pro-lottery forces paraded representatives of the lottery industry extolling the "virtues" of such for North Carolina at a legislative public hearing, it was the Christian Action League that presented the adverse effects that a lottery would have upon our state.

It was through your letters, resolutions, and other contacts to your legislators that generated the opposition to the lottery and resulted in its defeat.

However, this is not a dead issue. Pro-lottery forces are seeking state tax funds for a Legislative Lottery Feasibility Study to prepare legislation for the 1984 mini-session of the General Assembly. May we not "grow weary in well-doing" or we will get stuck with a lottery as we did with liquor-by-the-drink.

III. REFERENDUMS

In the past 12 months, you made it possible for the League to assist 7 communities successfully in defeating various referendums. These were:

1. Archdale: Liquor-By-The-Drink; ABC Liquor Stores; and Off-Premises Beer and Wine sales
2. Newton: Liquor-By-The-Drink
3. West Jefferson: ABC Liquor Stores
4. Banner Elk: Liquor-By-The-Drink
5. Kings Mountain: ABC Liquor Stores and Off-Premises Sales of Beer and Wine
6. Lenoir County: Liquor-By-The-Drink
7. Elizabethtown: Liquor-By-The-Drink.

Other referendums are pending.

CONCLUSION

Thank you again for making it possible for us to remain on the "firing line". May your churches continue to provide the prayer and financial support so that we might be an effective instrument for the cause of social and civic righteousness.

Coy C. Privette, Executive Director

Volunteerism

Volunteer — a person who enters or offers to enter into any service of his own free will.

Voluntary — provided or supported by voluntary action; not established, state-supported, etc.; as **voluntary** churches.

Voluntaryism — the principle of supporting a voluntary system, school, etc.; also, the system supported by voluntary effort or contributions.

Volunteerism — the theory or practice of being a volunteer or of using volunteers as, without pay, in social agencies, charitable organizations, etc.

We see from the ideas above, gleaned from the dictionary that volunteerism is basically giving oneself in some type of service; but also involves support by other means that makes it possible. This is true in our Christian ministry — whether it be in community missions or reaching on out to the various places on to foreign missions. There is a place for the volunteering of one's self in services and for the encouragement, prayers, and material support (not pay) which enables and strengthens the project. This opens the doors of opportunity for all to have a part, not only where we live and work but in other projects beyond our communities.

We are grateful for the continuing interest and effort in the West Virginia Project and would like to see a year around activity working. The proposed budget has $1,000 for this cause and our hope is that many people and churches will add to this that we may be a great help in promoting the establishment of 100 new churches by 1985. Building materials and builders are also needed.

This year nine workers spent nine days at Pineville and Mullens, West Virginia in Backyard Bible Clubs and survey work. The pastor and two workers from the North Albemarle Baptist Church have gone (October 12)

on a Partnership Evangelism team to Chile. We are still at work to be the enlistment area for Partnership Evangelism Project to England for 1985.

We ask you to pray for, encourage, and support volunteerism both here and around the world.

Director of Missions

This has been a good year for our association in our growing awareness of opportunities and challenges. There have been real concerns over the thousands of people in our area that are unchurched, because they are not receiving the teaching needed to lead them to come to Christ and then grow spiritually in Him. Surely, we are growing in our awareness of need to reach out to the unreached in our area of His Kingdom work.

Developing Believers and Strengthening Families are emphases for our work during the next two years and we feel this is needed, both, for our own spiritual growth and development, and to make us better workers in outreach ministries. I challenge every church and every member to be a part of what God is doing through these emphases. Excellent materials have been published and will be published, assistance in many ways is available. We pray that God will guide all of us in our response to these opportunities that we may grow in our commitment and service to our Lord and Saviour. Be a trainee, also a trainer as we are colaborers together with God.

Some statistics for 1982-83:

5 statewide conventions, conferences, clinics, etc.

8 regional conferences and workshops

4-day seminar on "Growing an Evangelistic Church", at Home Mission Board, Atlanta

97 services in churches (speaking 68 times, plus making brief reports, etc.)

1 week at Directors of Missions Conference at Wingate

1 week on chaplain duty at local hospital

worked with many individuals, groups, committees, etc.

traveled 24,876 miles related to duties.

Thank you for the privilege of being a coworker here in Stanly Baptist Association. Let us let God use us for His glory.

North Carolina Missions

This is the 5th year of combined mission offering for North Carolina starting in 1979. The N.C. Missions Offering replaced the different offerings collected at various times during the year for the Children's Homes, State Missions, Baptist Hospital, Homes for the Aged, Christian Education and other causes.

This has become a workable plan, although we have failed to reach our goal for the past two years. Our goal this year is the same as last year, $2,750,000.00. We failed last year's goal by a little more than $500,000.00. The need is still greater and is deserving of our best efforts. If each member of a

Southern Baptist Convention church gave only $5.00, we would almost double our goal.

Let's not forget, here in Stanly County, that there are many needs that only will be met as we share what God has blessed us with, with those who are less fortunate. One day's pay is a good guideline, but there are those who can do so much more. Let's meet our goal this year and more.

Larry Linker

Home Missions

The Home Mission Board has 3,400 missionaries serving in all 50 states, Puerto Rico, American Samoa, the American Virgin Islands and Canada.

There were an additional 42,000 volunteers and special workers, including 33,031 youth, 2,287 college students and 4,908 adults. Also 325 people working in the Home Mission Board in Atlanta.

In 1982 the Southern Baptists began 1,180 new churches.

The language Missions Division worked with 81 ethnic groups in 76 languages starting 345 new ministries.

A total of 365 Southern Baptist Chaplains were endorsed as military, institutional, business, industrial and hospital Chaplains.

The Church Division extended loans to 232 churches for $22,158,521, including 65 church sites.

The Special Mission Ministries Department worked in cooperation with Knox County Baptist Association and Tennessee Baptist Convention to provide ministries at the 1982 World's Fair, reaching 800,000 people.

About 400 people enrolled in the Correspondence Bible Course each month.

425 pastors received Church Pastoral Aid where churches were unable to support them.

The Home Mission Board has accepted the Bold Mission Thrust challenge of reaching this country for Jesus Christ. But to make Bold Mission Thrust a reality instead of a slogan, all Southern Baptists are called to actively share the Gospel message. One agency, or one board, alone, cannot witness to 250 million Americans.

Foreign Missions

During 1982, Southern Baptist Missionaries overseas worked in 96 countries with 1.5 million Baptist members in 27,000 local churches and/or missions; with 10,000 local pastors. During the year they were aided by nearly 6,000 volunteers from local churches who went at their own expense to help overseas. The Foreign Mission Board appointed 406 new Southern Baptist missionaries, a 2.58 per cent increase.

Bathed in intercessory prayer and blessed by God's spirit, Southern Baptists' missions bore fruit. In 1982: 140,844 baptisms in the churches and missions overseas to which Southern Baptist missionaries relate; church membership up 74,500 over 1981; and overseas churches giving $13 million

more than last year. In 1982, 700 new churches were established, which was an average of 13 per week, for a total of 12,170 baptisms.

Publication ministries related to Baptists overseas printed an awesome quantity and diversity of materials to reach people and develop believers through Bible teaching, Christian nurture and Bible distribution. Spanish Baptists in 40 countries, and those involved in French-and English-language work in 30 countries, used books, Bibles, and other printed materials from the Baptist Spanish Publishing House, El Paso, Texas.

Southern Baptists gave a report of $5.9 million for world hunger and relief in 1982. The Foreign Mission Board allocated a total of $8 million for world relief projects, more than double those of 1981, funded 192 hunger and relief projects in 43 countries.

Approximately 170 medical missionaries, alongside growing national staffs, ministered to 143,000 inpatients and 1.4 million outpatients in 20 hospitals and 114 clinics during 1982. Missionary involvement in health care depends on specific needs in a given place, and the local government's ability to meet its people's physical needs.

Contributions totaled $124,442,000 in 1982. The Lottie Moon Christmas Offering was $51,289,000. The 1983 Lottie Moon Offering goal is $60,000.00.

R. Keith Parks, president Foreign Mission Board, says "God has placed the world in our hearts. He has given us a responsive, dangerous, opportune moment in history. God is loving us to love a lost world".

REV. GEORGE HUGGINS

Born March 1, 1919 in Union County, N.C. He was raised on a farm and worked at Stegall and Co., in Marshville before he was ordained on June 21, 1947 at Hamilton's Cross Roads Baptist Church.

He was a graduate of Wingate College and attended Southeastern Seminary. He also completed courses at Fruitland, Moody Bible Institute and the School of Pastoral Care at Winston-Salem.

He served as pastor of Hamilton Cross Roads, Ebenezer, Union, and Macedonia in Union County; Spring Hill in Haywood County; Mineral Springs, Red Cross and Silver Springs in Stanly County. He retired from Silver Springs in June 1982 after 23 years as their pastor. He remained active as an interim pastor until his death, July 27, 1984.

He served as vice-moderator in Union Association and Moderator in the Stanly Association. He had served as a member of the General Board of the State Convention.

He often remarked "that he felt very fortunate that God had seen fit to put him in the right place at the right time to share in many life experiences with wonderful people."

History of Lakeview Baptist Church

Lakeview Baptist Mission was organized in 1953, under the sponsorship of West Albemarle Baptist Church. Rev. P. J. James was the first minister. With a membership of 10 people working and praying together, in the latter part of 1955 or early 1956, the group along with the leadership of their pastor, Rev. Bob Tennery, purchased a block church building on the Pennington Road.

In 1957, Lakeview Baptist Church was organized into a free standing Baptist Church, with a membership of 89.

In 1959, the church purchased 7 lots next to the church to build a parsonage, that was completed in 1960.

In 1956, seeing the need for a larger and better equipped building, the church purchased the 38 lots behind the church.

On April 29, 1973, construction began on our present church building.

Total membership of Lakeview Baptist Church today is 337.

Licensed ministers from our church are: Rev. Curtis Smith and Rev. Joe Smith.

Lakeview Baptist Church has had 9 former pastors. Rev. George Bradshaw is the 10th and present pastor.

History of First Baptist Church of Locust

After several revivals were held under brush arbors, in 1883, preaching by a missionary Baptist was held in the public school house of Locust Level. In March of 1884, Rev. G. A. Honeycutt, W. G. Morton, and Washington Russell perfected an organization, with Rev. W. G. Morton becoming the first pastor. A lot adjoining that of the school was purchased on which a brush arbor and stand were built, where services were held once each month, with preaching and conference on Saturday and services on Sunday morning.

In 1891 a plot of land was purchased for a cemetery and the women of the church were given permission to organize a Missionary Society in 1894. About 1910, the church building was sold and a larger one erected. Some years later, four Sunday School rooms were added.

In 1947, some land was purchased adjoining the cemetery property, and the church moved to its present location, where that structure was completed in 1948, with the first services led by Rev. J. G. Aldridge. During the 1950's under the leadership of Rev. J. W. Loy, the church completed the educational building and chapel.

Under the leadership of Rev. E. W. Pate, the church added 239 members, began Training Union and Evening Worship Services, began giving to the Co-operative Program, installed a modern financial record system, added equipment, an organ, and many more improvements to the church.

Under the leadership of their current Pastor, Kinney Wallace, who came to the church on October 31, 1978, the church family built a new Educational

facility with 10 Sunday School rooms, a new kitchen and Fellowship Hall in 1981. Upon the completion of these facilities, the church body was moved into the Fellowship Hall for services in December 1981. In 1982, the old sanctuary was removed and construction started on a new sanctuary with a seating capacity of 600, and a full basement with 2 offices, work room, 4 Sunday School rooms, Choir Room, Nursery and Toddler rooms, a Conference Room, a meeting area, and a new Library. The first services were held on May 1, 1983 with Dedication and Open House for both new facilities on May 29, 1983.

Today with a membership of approximately 660, the church has Sunday School organizations, Sunday morning and evening Worship Services, Mid-week Worship Service, Baptist Men, Baptist Women, Mission Friends, GAs, RAs, Acteens, choir practices for the Adults, Youth, and Children, Youth Meetings, and a Tape Ministry for the shut-ins. The church publication, "The Communicator" goes into the homes of its members weekly.

God has richly blessed His work in this place, and we are most grateful. Ours is a godly heritage and we appreciate the devoted, sacrificial service of our church family and the ones who served before us.

The Preamble and the Constitution of The Stanly Baptist Association

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following constitution.    A. Rev. Wallace was given authority to appoint the necessary seven-member Steering Committee.
7. Evangelism Director, Rev. Wallace, recommended that Stanly Baptist Association conduct an evangelism rally September 13-14, 1984. Approved.
8. Wayne Bennett, Stewardship Committee Chairman, presented a proposed budget for the coming year. It was adopted and will be presented to the annual meeting of the association.
9. Wayne Bennett, Chairman of the Pregnancy Crisis Center Study Committee, reported that the committee's findings would be turned over to the Missions Committee.
10. Richard Poindexter, Chairman of the ACTS and BTN Study Committee, reported that their findings will be given to the association meeting in October.
11. Rev. Dunevant proposed that tables and chairs be loaned to churches for associational affairs. Motion was made by Rev. Dwight Mabry that any Southern Baptist Church in the Stanly Baptist Association be allowed to use tables and chairs from the associational center. Rev. Dunevant will direct these loans and keep an inventory. This will rescind the rule made September 23, 1983.

Sunday School

The ASSIST team for Stanly Baptist Association is very dedicated and knowledgeable. Any church would do well to schedule a conference to help train their leadership. The ASSIST team had one such workshop in May at Poplins Grove Baptist Church.

An Associational 2½ hour "Send I You" Workshop was held at First Baptist in Albemarle, in September.

Stanly County churches have experienced an overall decrease in Sunday School enrollment of 456 from 1970-1980.At the same time experiencing an increase in the youth area and in the senior adult area. Our greatest loss in Sunday School enrollment is in the preschool and the children's departments. This proportionate decrease has persisted through last year. Let us pray for a Sunday School Director that will help us turn this trend around.

Let us evangelize and reach young couples for Christ. This will reverse the negative statistics that we are experiencing. The solution is in our dedication to our wonderful Lord and His command for us.

Church Training

Church Training has changed. Maybe you still think of Church Training as the "reading the lesson every Sunday night" syndrome. If you do, you're in for an eye-opener.

While Church Training still offers a regular curriculum of weekly study, it has been transformed into a very exciting program of Discipleship and Doctrinal Training. When this emphasis is added to the other discipleship programs (Survival Kit I and II, Master Life, Disciple Youth), churches are tremendously strengthened by dynamic Christian leaders.

Special Pastors Seminars are available through the easy to use Equipping Center modules. These cover a six-subject range of areas of need in your church.

The Associational Church Training Department provides two events in Stanly County each year to promote Church Training. The annual "M" Night meeting in the fall and the Associational Youth night in the Spring.

If you would like to begin using Church Training materials to equip your people, please contact me for assistance. An excellent opportunity for training your leaders is the Church Training Mini Conference at Camp Caraway every August. There is available through Church Training the best programs ever offered to build strong leadership. Why not begin training your leaders now?

Because He Lives!

Church Training Director

Woman's Missionary Union

The W.M.U. emphasis for this year was "Partnership in Prayer and Ministry" — our hymns and watchword constantly reminded us, the Lord doesn't expect us to witness in our own strength, nor to minister without a well defined strategy.

Welcome Baptist Church organized a W.M.U., gaining new members regularly.

South Albemarle Church hosted the Leadership Workshop and Fairview the Support Workshops.

Mission Action Director, Mrs. Jerry Helms, led churches to contribute toothpaste to the Correctional Center in Raleigh, and homemade cookies to the local volunteer recognitions service.

Mrs. W. Eugene Whitley invited Mrs. Earl Hagans to speak at the Prayer Retreat at Oak Grove Church.

Mrs. Raymond McDonald encouraged churches to involve all age-levels to use materials for Home and Foreign Mission studies.

Mrs. Danny Abernathy, Mrs. Richard Lamonds and Mrs. Michael Whitley planned and led G.A. meetings, including GAtivity held at West Albemarle.

Mrs. Douglas Phillips led Acteens and secured Miss Susan Carmichael as speaker for the Acteens' Banquet and Recognitions service at Union Grove.

Miss Claudette Burris and Mrs. Michael Aldridge chose Miss Pat Ritchie to speak at the B.Y.W. Banquet at Pleasant Grove Church.

Mrs. Earl Hagans planned the Baptist Women's Meeting at North Albemarle with Mrs. Anne Neil as speaker.

Grace Baptist Church hosted the Annual Meeting. Mrs. Bea McRae challenged us to make service to God our first priority. Mrs. Kenneth Bragg reminded us of the ministry of listening to those hurting.

We attained "Distinguished WMU" on the Achievement Guide, but there is still much work to be done. Keep us in your prayers.

Respectively submitted,
Della E. Hollis

Brotherhood

Every man and boy has the opportunity to participate in missions through the Brotherhood organization.

This past year the R.A.'s have been active under the leadership of Darryl Shaver.

The track meet was held at West Stanly and we look forward to great things in this area in the future.

Benson Kimrey led the Softball teams through a successful season.

Keith Byrd has led an excellent ministry through teaching Sunday School at the Baptist Home. The time spent there has a special meaning for the men who taught as well as for the residents.

The prison ministry is very active with Nathan Huneycutt in charge.

The Brotherhood combined with the W.M.U. in a successful Associational Workshop in September. The total attendance for the Brotherhood was 34.

We will strive to make this coming year a very productive one in Brotherhood.

Evangelism

Evangelism is the most important part of our work for Christ. Without the proclamation of the Gospel for the winning of lost souls to our Lord there would be no churches, Pastors, Stanly Baptist Association, State Baptist Convention or Southern Baptist Convention. Each of these organizations exist because of Evangelism, the winning of souls to Christ.

In 1984 we had planned a seminar on "Growing an Evangelistic Church". The Seminar was to be held in April. Because of problems in obtaining the materials for the seminar it was cancelled. The seminar has been rescheduled for January 21 and 22, 1985. Rev. Frank Crumpler will lead the seminar on these dates.

In September 13, 14, 1984 there was an Associational Wide Evangelism Rally at the Red Cross Baptist Church near Oakboro, N.C. The Reverend Charles Page, pastor of the First Baptist Church of Charlotte, N.C. spoke both evenings on Evangelism and Revival.

Kinney Wallace, Chairman of Evangelism, spoke to the Stanly Baptist Ministers' Conference on Tuesday, August 14, 1984 and challenged the hearts of the pastors to "Do the Work of an Evangelist".

The Continuing Witness Training for 1984 and for 1985 will continue with a seminar being held almost every month. State-wide Evangelism Conference for 1985 will be at Greensboro, N.C., February 4-5. The Conference for 1984 was held in Greensboro at War Memorial Auditorium, February 6-7, 1984.

We are looking forward to an exciting year as we serve Christ in Evangelism. The most important work of our Association is to Evangelize this world.

Kinney Wallace, Chairman

Youth

Many things have happened with and through the youth of North Carolina and your church during the past year. "RUN IN THE SON" was the theme for four weeks at Caswell which involved over 3,500 young people. Several conferences were set up by Rick Traylor in drama, youth council retreats, and local ministries. Seven of our College Campus Ministries raised more than $40,000 for missions as they learned more about the Bible, encouraged fellow students, and served God in a very special way in their local church.

Ridgecrest was the place for the Student Convention in late September with the focus on the Christian Family and Mission. Also will host an International Student Conference in November. And in December North Carolina students will travel to Nashville for another mission endeavor. Perhaps some from Stanly Association will be involved.

As we are now looking toward a new year may I encourage you to support the youth of your church and the new youth leader for Stanly Baptist Association.

Seminary Extension

For over thirty years, the Southern Baptist Seminary Extension Program has made theological education available to those who cannot attend classes on one of the six Convention seminary campuses.

Stanly Baptists continue to support this effort to bring courses to pastors and lay people in the Association. Since more than fifty percent of the Convention's pastors have not completed seminary training, this program makes possible an invaluable opportunity.

Course outlines are developed by instructors at the seminaries, and the materials are organized so they will be beneficial to ministers without degrees, graduates who wish further study in areas of Biblical, doctrinal, or professional interests, and lay leaders who want advance study. Pre-college, non-credit packages are also available.

The Program theme through 1985 is "Developing Believers and Strengthening Families."

Stewardship

The Association sponsored a stewardship conference May 22, 1984 at the Western Steer, with 28 persons present. O. D. Martin of Raleigh led the conference.

Special Stewardship conferences and emphases planned for the coming year are "Planned Growth in Giving" conferences at the Caraway Conference Center. Dates are: March 18-20, March 21-23, March 25-27, April 1-3, April 4-6, April 11-13, April 15-17, April 22-24, April 19-May 1, May 6-8, May 20-22, May 23-25, May 30-June 1, June 3-5, June 24-26, June 27-29, and July 8-10.

Total budget offerings of the churches for this year was $3,847,982. This is an increase of $367,966 over last year.

All churches of the Southern Baptist Convention are urged to participate in a 15 year Planned Growth in Giving emphasis — 1985-2000 A.D.

Baptist Retirement Homes of North Carolina, Inc.

Blessings of great significance are coming to the Baptist Retirement Homes.

From October, 1983-April, 1984 North Carolina Baptists gave 26.3% of the Homes total income through your Cooperative Program, North Carolina Missions Offering and special gifts. This support covered 77% of the Homes' benevolent care minstry. Benevolent care projections for the fiscal year ending September 30, 1984 are running at about $1,000,000. Mission gifts, it appears, will fall short of the need by some $250,000. Currently approximately 40% of the residents in the five Homes are able to cover their full cost of care. Ten percent of the Nursing Care residents underwrite their full cost of care. As you can see, your mission gifts are vital to the benevolent ministry of the Homes.

A state-wide Capital Funds Campaign was undertaken during this year. Key leaders across North Carolina were pulled together to formulate an Advisory Team and leadership people to raise $2\frac{1}{2}$ million dollars through the "A Call to Remember . . ." campaign. Campaign gifts are being used to renovate and update the Hayes Home facility.

Long-term care of older persons means just that. Life expectancy figures indicate that the Homes can anticipate providing approximately 8 years of care for 80 year old residents. Also, the growing segment of our population is the 65 plus group. We Baptists want to be on the cutting edge of an effective ministry with this growing group of individuals. Through your continued support we can be and must be the hope for many older people in our state.

Baptist Children's Homes of N.C., Inc.

The Charlotte Family Services Center of the Baptist Children's Homes of North Carolina, Inc. seeks to serve families (children, young people, and adults) within an eight county area. These counties are Anson, Cabarrus, Cleveland, Gaston, Lincoln, Mecklenburg, Stanly and Union.

The "Family Services" concept recognizes the family unit as basic to life's dimensions. It incorporates the idea and understanding that it takes tremendous cooperative effort to keep families together and to help mend broken relationships in family units. We seek to minister to all who call upon us for help.

We are constantly seeking to meet the growing social and spiritual needs around us. Enhancing the quality of life for a child and his/her family is a constant goal for us in the Charlotte Family Services Center.

Our social workers, secretary, and emergency care staff are ready to assist you in placement services as well as non-placement services. The service of placing a child in emergency care is one of our most often used services. While it is important for children to be placed, it is also important that their families receive support, guidance, and direction while they are separated from other family members. Your prayers and continuing support is necessary in this process.

Pray for us at the Baptist Children's Homes as we seek God's will regarding our need for child care workers and associate child care workers

who live in from day to day with these children and young people. Pray for us as we seek to meet and introduce new people to our work in the Charlotte Area. Pray that people in our churches will become more aware of the services being offered. Total resident church membership for the eight county area is over 162,000 people in over 500 churches.

Call our office (704) 376-0452 to reserve the 16mm film "You Needed Me." Visit us at the Charlotte Emergency Youth Care Center at 9741 John Russell Road.

We continue to be grateful for the support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering (NCMO), and designated gifts. Grant us time to get to know you as we serve our Lord together.

We continue to praise the Lord for the faithfulness of the Baptists of North Carolina who have supported this child care ministry for almost one hundred years with their prayers, concern, understanding and financial resources.

North Carolina Baptist Hospital, Inc.

Driving into Winston-Salem from Stanly County, one is struck with a large building complex on the horizon. At night, a lighted cross glows in stark contrast to the darkness. While unable to hear the sounds of life within, there is an awareness that at any given time, ministry is taking place. People are involved in life-death situations. Children search the eyes of parents and doctors for hope. Older adults seek to grasp the deeper meaning of life in the presence of illness. Chaplains move quietly through the corridors, sharing the love and compassion — the Good News of Jesus Christ — wherever they go. Surgical teams perform operations which defy the imagination. Thousands of employees, from doctor to janitor, labor alongside one another, making Baptist Hospital one of the finest care facilities in our nation. As Southern Baptists, we can be proud that our support enables us to be partners with those who provide healing in the name of Our Lord, the Great Physician.

Annuity Board

Most of the churches in the Stanly Baptist Association are taking advantage of the Annuity Retirement Program. In so doing they are letting their Pastor and staff know that they are concerned not only about his welfare at the present time, but want to be of some help when he reaches retirement age.

There are still about sixteen percent of the churches which are not in the program. I believe these churches would be willing to participate if they knew their Pastor and staff would like for them to do so. A Pastor who would like to get into the Program should speak to the deacons or some of the other leaders of the church concerning this matter. Or if he would like for the Associational Representative to speak to the leaders of the church he would be glad to do it.

There are some pastors that prefer the church to pay him enough to take

care of his social security rather than get into the Annuity Program. This for the time being may be good, but it could be in time to come that Social Security would come to an end. All that is put into the Annuity Program will be secure, and a retiree can draw a monthly check as long as he lives.

Christian Education

The question has been asked: "Why Baptist Colleges?" In a special study done by the Council on Christian Higher Education, a Baptist College was described as a place for study; a place for growing in spiritual and intellectual ministry; and a place where life continues and futures are shaped.

The same report goes on to say that even though they are expensive, Baptist colleges are worth what they cost. For a Baptist college provides a good wholesome education in an atmosphere of Christian trust and loving concern, and acceptance into a person-centered community where spiritual, personal and intellectual growth are encouraged. Students are motivated to develop a Christian world-view for facing the uncertainties of the future and for resisting the claims of rivals to Christian thought.

The choice of a college has a life-shaping impact. It will make a world of difference in the lives of young people.

We are proud in North Carolina to have seven colleges. They are Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate. We also have one seminary — Southeastern.

The year 1984 marks the 150th anniversary of North Carolina Baptist's involvement and partnership in Christian Education.

Another milestone in 1984 is the 40th birthday of the Council on Christian Higher Education, a model of church/college cooperation in the Southern Baptist Convention.

The ministry of our Baptist colleges has prospered in North Carolina because of prayers and gifts of churches, and because Baptist youth continue to attend.

Please continue to favor us with your young people, your gifts and your prayers.

Christian Literature

Scott Peck's **Road Less Traveled** is one of the most readable books of the past few years. Dealing in practical areas such as "Pain, Sin, Rebirth, Self-Sacrifice, Evil and Grace", Peck gives refreshing meaning to these realities. His connection of "selfishness" to the original sin is most enlightening.

An older book of equal value is Jean Piaget's **The Moral Judgment of the Child.** This deals with children's moral development through the games they play. He makes the point, "Rules can have no other authority than that which an individual confers upon them." For more advanced studies one might get into The Philosophy of Moral Development by Lawrence Kohlberg. Volume One deals with "Moral Stages and the Idea of Justice".

In getting to the history of denominations and present situation of religion in America, I know of nothing better than **The Christian Legal Ad-**

visor by John Eidsmore. It covers subjects from the history of the separation of Church and State to present "Malpractice problems of ministers". A little follow-up book that will help you at Thanksgiving is **Of Plymouth Plantation 1620-1647** by William Bradford, a Modern Library College Edition publication.

Warren Wiersbe's **Why Us" When Bad Things Happen to God's People** and **Beyond Easy Believism** by Carl Collins is good for discussion groups to study.

Baptist Foundation

In the midst of our attention to space exploration, the lovable character, "E.T." was born. For the North Carolina Baptist Foundation, these letters have taken on another significant meaning during 1983-84. The exciting new idea is the creation of "Endowment Trust — Everybody's Trust". It is now possible for practically every adult in our churches to participate through a perpetual trust. Each of us wishes we could continue our witness forever. Now we can participate in permanent support of our Baptist interest.

The Endowment Trust you create may be started with as small a gift as $25.00. You may add a tax deductible gift to it as you wish, in whatever amount you wish. When the principal attains a minimum which you predetermine (usually $1,000) then the income earned is distributed to the Baptist cause which you have also predetermined. The income will be paid every year, year after year forever!

If those of us who shop for a meaningful gift for parent or loved one should give them, instead, a trust in their name, we would instantly make available millions of dollars for mission outreach.

The impact of the E.T. Trust has caused Baptists of North Carolina to give this past year through new trust, designated additions to existing trusts, and increased value of assets managed by the Foundation a total of $953,000, an increase of almost a million dollars each year! Income earned by trusts — income which is paid out to Baptist causes or Annuitants was over $534,000 last year. A half million dollars distributed — much of it in the names of persons no longer living.

No author of science fiction generates more excitement than you who make commitment of self and substance for the Lord's work forever!

The Foundation exists to help you discover ways to demonstrate your own commitment through planned stewardship to those resources which you leave after life on earth ceases.

American Bible Society

Reports are now in from over 180 locations worldwide where the Bible Societies are at work and we praise God for the encouraging advances being made on almost all fronts.

In Kenya, orders are already being processed for the new translation of the New Testament in the Maasai language. The Turkana New Testament was completed in 1983, a major achievement, in that this is the very first

New Testament in this important language, spoken by nearly a quarter of a million people in Kenya. Scripture distribution rose appreciably in 1983, and a further leap is anticipated for 1984.

In Brazil, recent developments indicate steady progress in bringing God's Word to nearly 122,000,000 men, women and children of that vast country. Now that Bibles are being produced for the first time on paper manufactured in Brazil itself, costs saved from importing paper will mean even greater potential for distribution in the future.

Here in the United States, distribution by the ABS in 1983 reached a total of over 126 million Bibles, Testaments, Portions and Selections. Members of the armed forces, prisoners, patients in hospitals and students in Christian schools were among the recipients of these Scriptures. Many churches, who receive Scripture supplies from ABS, have reported great forward strides in their evangelism and out-reach programs.

Looking ahead

One of the most impressive and challenging facts which has recently emerged is that, in a single five-year period, there has been an increase of 17 percent in the number of new Christians in just five countries of Asia, Africa, and Latin America — more than 24 million new Christians who need and want to read God's Word for themselves.

Christian Social Ministries

"Birds with short wings," is a phrase used by Robert Perske in his book New Life in the Neighborhood. While speaking of mentally retarded people, his descriptive expression portrays a vast host of citizens who find themselves in need: the hungry, the poor, the abused, the physically and mentally handicapped, the deaf, the blind, those with inadequate clothing and/or shelter.

Most of us "soar like seagulls" in comparison to those who live on the fringes of our society. Birds with short wings do not fly well, if at all. God has created us to fly, not hop, walk, or sit. Through greater sensitivity, the churches of our Association can "lengthen" the wings of many within the community. Look around you. The birds with short wings are everywhere.

Report from the General Board of the Baptist State Convention of North Carolina

It has been exciting to serve this year, 1984, as the first of my four-year term on the General Board. It has been a year of learning during our three meetings at Camp Caraway in January, at Wingate College in May, and at Camp Caraway again in September.

Perhaps the most significant action taken by the General Board this year was its approval at the September meeting of the report of the Search Committee recommending the submission to the Convention of the nomination of Roy J. Smith, presently Acting General Secretary, as the new General Secretary of the Baptist State Convention. There was a general feel-

ing among the members of the Search Committee and the General Board that Dr. Smith is a choice nominee for this important position whose selection was reached by the leading of the Holy Spirit.

As Dr. Smith said in response to the General Board's unanimously favorable reception of the Search Committee's report, "The best is yet to be for North Carolina Baptists." And truly the reports we have heard this year from many areas of our work show that to be the case. As of September, 1984, Cooperative Program giving was up 7.53% over the comparable period in 1983. The ACTS television network is being established in many of our cities. The planting of new churches is receiving great emphasis. From our five major metropolitan areas, there are requests for assistance to start 79 new churches, 49 of these in the Mecklenburg Association alone. At the September General Board meeting, a 1985 base budget of 24 million dollars was recommended to the convention (an increase of 4.3% over 1984) with an additional challenge budget of 1½ million dollars for receipts above 24 million dollars, the challenge budget primarily targeted toward the needs for new work in North Carolina.

An issue of concern to many of you is the organization and character of the North Carolina Missions Offering. An ad hoc. committee has been appointed to study this issue and will make a report at the January, 1984, General Board meeting.

It is truly an exciting time to serve the Lord as a North Carolina Baptist. I am grateful for the opportunity to serve on the General Board. Pray for us that our deliberations may be motivated by love and guided by the Holy Spirit.

Michael W. Taylor

Council on Christian Life and Public Affairs

This was an exceptional year for this area of our Convention. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life members were trained and guidance on a wide range of social and ethical issues were furnished to churches and associations.

Our department director attended and also led many seminars, retreats, and speaking engagements. Leadership training was made available at area churches, Ridgecrest, and also Caraway.

Twelve senior adult leadership workshops were made available throughout the state allowing senior adults to expand their knowledge and ministry. Senior adult ministries continue to grow rapidly in North Carolina Baptist churches and a new emphasis on the associational model for these ministries has emerged this year.

Christian Citizenship Education leaders promoted new ideas this year. World hunger was made a matter of definite concern. A lot of materials, time and effort were exerted in making people more aware of this definite problem. The Education Department also zeroed in on voter participation and legislative information. The department has encouraged Baptists to register and to vote by making available a bulletin insert, which supplied necessary information and encouraged participation. Through the help of Stanly Baptists and many others across the state, great progress was made in the areas of raising the legal drinking age, defeat of the lottery system,

reduction of pornographic materials and making the public more aware of the statefunded abortions.

We look forward to a great new year ahead as God will continue to open the doors through which we may learn more and share His precious love.

Mike Huneycutt

Volunteerism

Isn't it great that our churches and denomination are now emphasizing the Biblical teachings that every Christian is gifted in some special way. Let us seek to use these gifts in ways that will please our Lord. I believe that many opportunities are available both locally and around our world.

We have had several groups/individuals from our association in Home and Foreign Mission projects this year.

A youth group from Highland Church worked with children at Ormond Beach, Florida.

A youth group from First Baptist, Albemarle, worked in Alexandria, Virginia.

A group from West Albemarle Church worked in Harrisburg, Pennsylvania, and Frankie Schooley served during the Olympics in California.

Nancy Ray, from North Albemarle Church, served in Oklahoma City, and another group of seven people served in Partnership Evangelism in Venezuela, South America.

Some could not go, but they gave support through prayers and the necessary funds; and we recognize all who had a part in these mission adventures. Those who went will bless your hearts with their reports and enthusiasm and will challenge you to prayerfully ask if God wants you to go serve in some project.

We are mindful of and grateful for the volunteers who serve here at home . . . who strengthen the home base, do volunteer work in our community, and also, support our outreach projects with encouragement, prayers and funds. Thank you sincerely.

Doors are still open for the Partnership Evangelism in England September 18-October 1, 1985. If you are interested in more information, potential (not yet committed) pastor/team leaders are invited and urged to attend a meeting at Caraway February 26, 1985 from 10:00 A.M. to 4:00 P.M. Leaders from the Foreign Mission Board will help us understand more about this opportunity. (Also there is a 28 minute video tape available in the Associational Office.)

North Carolina Baptists have a partnership relation with West Virginia Baptists and with Togo, West Africa. We rejoice in what is being accomplished; yet, who among us can say we are doing our best in these efforts.

Then there has been a tornado, and a hurricane and our people have responded commendably. Thank you! Beyond these are countless opportunities for Volunteers' services. **Just be alert and responsive.**

Director of Missions

This has been a good year for Stanly Baptist Association. There have been some disappointments and discouragements; but blessings have been abundant.

We are grateful that the "Growing an Evangelistic Church" Seminar which had to be postponed, has been rescheduled for January 21-22, 1985. We hope to make the year 1985 our greatest in our commitment to help in the West Virginia Baptist work. (They cancelled our project this year and it was too late to reschedule.) As we continue our emphasis on Strengthening Families and Developing Believers, and on Bold Mission Thrust — we need to fervently pray and prepare for our 1986 "Good News America — God Loves You" crusade. We need to pray for all the world, and give and go to carry the good news; but we must realize that we need to witness to our America and our Stanly County, also. Let us labor to strengthen every area of Christian growth, that we may be used of God in His plan.

Thank you for our greatest year, financially. Your support enables us to move toward adequate equipment at the Associational Center, to serve our churches better. Let us serve you with it.

Some 1983-84 statistics are:
4 Statewide conventions, conferences, clinics, etc.
8 Regional conferences and workshops
99 services in churches (speaking 72 times, plus making brief reports, etc.)
1 Week at Directors of Mission Conference at Wingate College.
1 Week on chaplain duty at local hospital.
Worked with many group committees, individuals, etc.
Traveled 23,988 miles related to duties.

God is always blessing us and challenging us as individuals and collectively. It seems to me that God has placed before us, as an association, a great door of opportunity . . . and He will supply all our needs if we will follow His leadership into this opportunity. Let us respond with joyful commitment.

The Stanly Baptist Association has been proving its value for 99 years and is deserving of your support personally and financially through your churches. The association is the first fellowship of cooperation — nearest to the local church. Let us celebrate our first 100 years in fellowship and cooperation — 1885-1985.

Respectfully,
J. Clifton Dunevant

North Carolina Missions

The North Carolina State Baptist Convention promotes three special offerings annually — Foreign Missions in December, Home Missions in April, and State Missions in September. The 1984 offering goal was set at $2,800,000. To reach this goal churches are urged to prayerfully set worthy and challenging offering goals. September 9-16 was the suggested time for the Week of Prayer.

The special offering helps to underwrite the on-going work of the Baptist Children's Homes, Baptist Retirement Homes, money for benevolent care at Baptist Hospital, scholarships for Baptist College students at North Carolina Baptist colleges and universities, special programs of Woman's Missionary

Union, North Carolina Baptist Men's ministries, and state mission programs.

To promote a heightened awareness of Baptist Work in North Carolina a television special on North Carolina missions, "More Than Just a Name" was produced and shown during prime viewing time in most of the major cities in the state. The television special showed glimpses of our work across the state. Of special interest to Stanly Baptists was the segment on the Albemarle Baptist Retirement Home as Acteens from one of our churches, Memorial Baptist, visited their "adopted grandparents" there.

The Mission Expenditures table of this book shows giving by individual churches and the Association as a whole.

Nathan W. Fox

Home Missions

The Home Mission Board of the Southern Baptist Convention works in all 50 states, Puerto Rico, American Samoa, Canada and the American Virgin Islands.

This year approximately 3,700 missionaries served throughout the United States. These men and women ministered in a variety of ways. They go from starting new churches to reestablishing the membership in old churches.

About 46,000 special workers are placed on the mission field by the Home Mission Board each year. The ministries they are involved with include Christian Service Corps, Campers on Mission, Sojourners for older teens and young adults, student summer and semester missionaries, youth and adult mission groups, choirs and evangelism.

We have about 80 US-2ers serving on the home mission field. US-2ers are college graduates who are serving as missionaries for two years.

In the United States we have about one million Americans who identify with a language culture group other than Anglo-American. More than 1,300 missionaries serve these groups. The Home Mission Board ministers to 84 of the 200 language culture groups in this country.

Through church Pastoral Aid the Home Mission Board helps approximately 900 pastors who serve in the newer areas of the Convention.

More than 1,600 chaplains serving in hospitals, institutions, business, industry, and the military are endorsed by the Home Mission Board.

This year 85 church planters were appointed by the Church Extension. They also aided 1,021 mission situations, started 1,400 church type missions, and supported 200 seminary students who began 100 new churches.

Missionary personnel processed the largest number of candidates for Mission Service in any calendar year, appointing or approving 630.

Mass Evangelism has been working on promotion for the 1986 revivals, "Good News America: God Loves You." This will involve all 50 states during the six week period, March 16-April 27.

We, as members of the Southern Baptist Convention must remember to lift our missionaries up in prayer and also the ministries we and they are involved in.

Respectfully submitted,
Frankie C. Schooley

Foreign Missions

Southern Baptists are moving into the future of World Missions with daring and boldness. The Bold Mission Thrust that Southern Baptists first envisioned in 1976 is on a different plane — now we have an even greater involvement in World Missions as we reach out with other Baptists around the world in stronger partnerships.

It means we are to be equal partners with other Baptists around the world. Demanding a willingness to be open, to be teachable; a willingness to change. Can we sit down as equal partners with Baptist groups around the world to plan a joint strategy for proclaiming Christ to the whole world. Yes, we can be bolder than anyone ever dreamed.

During the past year the focus on starting churches continued to be the top priority for Southern Baptist foreign missionaries. More than 27 churches were organized on the average during every week. We now have a total of 13,586. Baptisms totaled 146,149, an increase of 3.77% over 1982. Church membership reached 1.7 million.

Our missionaries, now totaling 3,346, keep up with discipleship training for the new converts. They led an estimated 600 Master Life groups overseas with an average of 8 to a group. The Survival Kit is taught also and follow-up is accomplished through efforts of members of the church. One-on-one discipleship is given through Bible Study.

Partnership evangelism is alive and doing well. In 1983 more than 4,700 men and women participated in volunteer projects overseas — with many thousands accepting Christ.

We can all do our part by praying, giving and going.

Respectfully submitted,
Sylvia Hinson

World Missions Conference

March 25-April 1, 1984

After much planning by a lot of people including the Brotherhood, W.M.U., Home Mission Board and Foreign Mission Board, we were blessed by a most successful World Mission Conference. On March 24 the supper and rally was held at West Albemarle Baptist Church beginning at 5:30 P.M. On the following day, Sunday, and going through the following Sunday, missionaries from Home and Foreign, State and Associational work shared with our churches in local conferences. Twenty-nine of our churches participated.

Rev. Justin Hill, Director, along with Mrs. Marie Phillips, Hospitality Chairman and Rev. John Barnhardt, Transportation Chairman, and Rev. J. Clifton Dunevant, Director of Missions served as the World Missions Conference Committee. For one of the best World Mission Conferences we have ever had, we give thanks to God and express appreciation to these who served well and faithfully, and to our churches and all leaders. Let us look forward to our next one and plan to make it even better.

J. Clifton Dunevant

Centennial Committee Report

The Centennial Committee of the Stanly Baptist Association has met two times during the year to discuss plans for a 1985 celebration of the one hundredth year of Baptist cooperative ministry in Stanly County.

The Committee recommends that the following ideas be approved for celebrating our centennial:

(1) That Hebrews 13:8 "Jesus Christ the same yesterday, today, and forever" be adopted as our theme for the year.

(2) That the eight charter members of our Association give a brief history of their churches at the 1985 annual sessions.

(3) That the reports of organizations and agencies at the 1985 annual sessions be devoted to historical information and that information normally given in annual reports be presented as one item of business.

(4) That the Program Committee for the 1985 annual sessions be asked to use other ways on the programs to call attention to the centennial observance.

(5) That the first day of the 1985 sessions be designated as Old-Fashioned Day with messengers encouraged to dress in old-fashioned attire.

(6) That our Director of Missions be authorized to write a history of our Association to be presented to messengers at the 1985 sessions.

(7) That a meeting of worship and inspiration be held in the Spring of 1985.

(8) That the phrase "Celebrating a century of Christian cooperation" be adopted as the motto for the year.

History of Silver Springs Baptist Church

In the year 1856, Rev. David Wright traveled in Stanly County preaching and distributing Baptist literature. His preaching and literature caused the people of this community to invite other Baptist preachers to hold services with them.

In the year 1857, Silver Springs Baptist Church was organized with the following members: John Kimrey, Fernand Foreman, Manlove Kimrey, C. C. Foreman, Noah Mauldin, Rebecca Hudson, and Lucinda Cooper.

The Presbytery was composed of the following: Rev. B. H. Carter, Rev. C. C. Foreman and Rev. S. P. Morton. The Rev. C. C. Foreman was called as the first Pastor. The services were held under an arbor for some time, in 1858 the first building was erected. The ground for the church was given by J. F. Mauldin and Joel Tyson.

The Stanly Baptist Association was organized and held its first session with this church in the year 1885. The second building was erected in 1889, and later had to be enlarged to take care of the expanding congregation. In 1927 the present Auditorium and several class rooms were built. In 1958 a Pastorium was built and the church went full time, with the pastor living on the field. In 1969 the church voted to build a new Educational Building. This was completed and put into use during April 1970.

The following members have served this church since its beginning:

Rev. C. C. Foreman, Rev. A. E. Bennett, Rev. G. O. Wilhoit, Rev. H. Morton, Rev. L. A. Whitlock, Rev. U. F. Hathcock, Rev. S. P. Morton, Rev. J. B. Littleton, Rev. T. S. Wright, Rev. J. Lenny, Rev. J. T. Suttle, Rev. J. A. McGoin, Rev. C. J. Black, Rev. J. C. Gillispie, Rev. John Kimrey, Rev. J. S. Connell, Rev. John R. Miller, Rev. V. L. Andrews, Rev. J. S. Tyson, Rev. L. C. Bennett, Rev. Guy F. Walker, Rev. A. W. Icard, Rev. Vernon T. Helms, Rev. Paul J. Hopkins, Rev. George W. Huggins, and the present Pastor, Rev. Ronald L. Blakley, having come to the church Jan. 8, 1982. Our church has recently been given land joining the church property by Tom Carpenter of Albemarle. Plans are underway to build on to our present Fellowship Building. Our church has also recently purchased an Activity Bus. Silver Springs has been blessed for one hundred and twenty-eight years, may God's sweet spirit continue to dwell and that His will be done in our lives.

History of Grace Baptist Church

On Sunday afternoon, September 25, 1921, a large number of people headed by Pastor Q. C. Davis and deacons of First Baptist Church met for the organization of Grace Baptist Church with Rev. John S. Harris, who had been conducting a revival in Almond's Hall.

Grace Church worshipped for the first few months in Almond's Hall. Then the old church building of Salem M. E. Church on Concord Road was purchased and the materials from it were used to construct a building on the present site, which was donated by Wiscassett Mills Company. This one room building was used and added to as the need became evident until the present educational building was erected under the ministry of Rev. Floyd Helms. This building was completed and dedicated on April 20, 1952. The old church building was torn down and the worship services and Sunday School were held in the educational building.

The growth of the church was evident and more space was needed. During August, 1956 the present sanctuary was started under the ministry of Rev. C. R. Hinton with the first service being held in the new sanctuary the first Sunday in September, 1957.

Grace Church joined the Stanly Association in 1921 with a church membership of 38 and $110 in contributions for the year. During the last 64 years of the church's existence, the membership has increased to 617 with an enrollment of 317 in Sunday School and total receipts being $123,072.

Presently serving as pastor is Dr. James D. Tucker, who came to Grace in August, 1982. Other pastors to serve Grace are:

John S. Harris	1921-1923	J. A. Seymour	1942-1950

The Preamble and the Constitution of The Stanly Baptist Association

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, as a declaration of the fundamental purposes and permanent guidance and control of the activities of the Association, do hereby adopt the following constitution. Nothing in this constitution shall permit the association to infringe upon the sovereignty of the rights of affiliated churches. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim, for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation.

Constitution of the Stanly Baptist Association

Article I. This body shall be known as the Stanly Baptist Association.

Article II. The association's membership shall consist of messengers only who are members of the affiliated churches comprised of all of the following:

1. Officers of the association.

2. Elected messengers. Each church shall be allowed three messengers for the first 200 members or fraction thereof and one for each additional 50 members.

3. Pastors of the affiliated churches.

Article III. The association shall hold a regular annual session on Tuesday and Wednesday after the third Sunday in October for reports, discussion and business matters.

A Spring Session and/or called sessions may be held, with (30) thirty days notice, if the Executive Committee so determines.

Article IV. Affiliated churches. An affiliated church shall be one supporting the denominational program, the doctrines, policies and practices of the association. The New Testament shall be accepted as the sole guide in matters of doctrine and practice; using "THE BAPTIST FAITH AND MESSAGE," a message adopted by the Southern Baptist Convention May 9, 1963 — pp. 7-19, as a guide for interpretation, but not intended to be used as a creed. Fellowship with a church within the association shall be extended or withdrawn by a ⅔ vote of the messengers in the fall session. Notice of a vote for extension or withdrawal of affiliation shall be given to the church being considered by the Executive Committee at least three months prior to the meeting of the fall session of the association. Baptist churches shall be received into the fellowship only by the association in annual session, after having been under the watchcare of the association for at least one full year.

Section 1. Any church seeking admission to the membership of the Association shall petition in writing the Executive Committee at least three months before the annual meeting of the Association, which petition shall be referred to the Missions Development Council for its study and investigation of the petitioning church's covenant, articles of faith, location, history, practices, cooperative spirit, its relations to other churches of the Association and its willingness to abide by the Constitution and By-Laws of the Association. The Missions Development Council shall then report to the Association with a copy thereof submitted to the Associational Executive Committee at least thirty days prior to the annual meeting of the Association, its findings and recommendations for Associational action at the next annual meeting.

Section 2. If the Executive Committee accepts the recommended

church, as recommended by the Missions Development Council, then the recommended church shall meet the following requirements:

A. That the recommended Church be placed under the watchcare of the Stanly Baptist Association for a period of one year.

B. That the recommended Church shall send non-voting representatives to attend the Executive Committee Meetings of the Association.

C. That the recommended Church have the Pastor attend the Pastor's Conference as much as possible.

D. That the recommended church submit to the Missions Development Council and/or the STANLY BAPTIST ASSOCIATION the following reports:

1. A report of enrollment and attendance quarterly.
2. A report of monetary receipts and disbursements quarterly.
3. A report of ownership and property and real estate annually.

Article V. The officers of the association shall be: Moderator, Vice-Moderator, Clerk, Treasurer and Director of Music who shall be elected at each annual fall session after the messengers have been enrolled; and shall take their office at the close of the present annual session, and continue until the close of the next fall session. Other officers of the association shall be: Woman's Missionary Union Director, Brotherhood Director, Sunday School Director, Church Training Director, Director of Evangelism, Youth Director, Stewardship Chairman and Missions Development Director.

All committees and representatives shall also take their office at the end of the annual meeting and continue until the end of the next annual session.

Section 1. The moderator shall preside over meetings of the association and the Executive Committee. It shall be his duty to appoint a Committee on Committees for the association within ten days after being elected at the annual session. No moderator shall serve for more than two consecutive sessions. No moderator having served two consecutive sessions shall be eligible to re-election until after the lapse of one year.

Section 2. It shall be the duty of the vice-moderator to discharge the duties of the moderator in his absence, to serve as an associate in his presence. Should the office of moderator become vacant, the vice-moderator shall immediately accede to this office. Should the office of vice-moderator become vacant, it shall be the duty of the Executive Committee to elect a vice-moderator.

Section 3. It shall be the duty of the clerk to keep a faithful record of the proceedings of the body, and to superintend the printing and distribution of, and keep on file the printed minutes and other important documents belonging to the body. The clerk shall also be ex officio member of the Credentials Committee. He shall be paid a nominal sum for his services at the discretion of the Executive Committee.

Section 4. It shall be the duty of the treasurer to receive and disburse the money contributed to the association treasury as directed by the body and to make quarterly reports or as requested by the Stewardship Committee to the Executive Committee and to the Association's Annual Session. He may be paid a nominal sum at the discretion of the Executive Committee.

Section 5. The director of music shall be in charge of the music program of the association. He shall be a member of the Program Committee.

Article VI. The association shall have three trustees. Their term of office shall be for three years with one member rotating off each year. Vacancies may be filled at any time by the Executive Committee, with the one elected

filling out the unexpired term of the one whose vacancy is being filled. No trustee shall be eligible for re-election until after the lapse of one full year. The senior member of the trustees shall serve as chairman.

The Trustees shall, as provided by the law and the action of the Association, hold in trust the title, in the Associational office, to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, maintenance, improvement and disposal of Associational property. The Trustees shall provide for a suitable bond for the Associational Treasurer to be paid for by the Association. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the Association authorizing such action; neither shall they have any control over the use of the Associational property except by the vote of the Association.

The Executive Committee shall be composed of the officers of the Association, Program Directors, the institutional representatives, all pastors of affiliated churches and one representative from each church and shall serve for the association ad interim. In order for the Executive Committee to transact the business ad interim, there shall be a quorum of at least thirty (30) percent of the churches affiliated with the Association represented at each meeting. In the event a quorum is not present, the moderator could reschedule a meeting urging the churches to respond so that urgent business could be transacted. The representatives from each church shall be elected by the church to which the member belongs and recorded in the church's annual letter to the association.

This Committee shall be composed of at least three members, one of which is retained from the previous year's committee.

Section 10. The Credentials Committee shall present a report with recommendations to the association, prior to the seating of the messengers, concerning affiliated churches' compliance with Article IV of the constitution regarding the support of "the denominational program, the doctrines, policies and practices of the association" for the associational year preceding the annual meeting of the association.

Section 11. The Committee on Constitution shall be appointed by the moderator at the first meeting of the Executive Committee following the meeting of the annual association. This committee shall report any proposed changes to the Executive Committee for approval prior to the next annual session of the association.

Article IX. Association Council — The Association Council shall be composed of the Associational officers, the department directors, and the Director of Missions. The Moderator shall preside over the Council.

It shall be the duty of the council to promote Sunday School, Training, Evangelism, WMU, Brotherhood, Stewardship, and Mission Development activities of the Association.

11. Messengers and visitors joined to sing, "Serve the Lord with Gladness".

Second Day
with
GRACE BAPTIST CHURCH
Wednesday, October 23, 1985

35. The second day of the one hundred first session convened at 9:30 A.M. with Grace Baptist Church.

37. Ernest Russell, retired pastor, led in prayer.
38. Mrs. Virginia Almond, presented a short history of First Baptist Church, Locust. This is also one of the eight original churches in the Association.

43. The Moderator asked for and received a motion that all departmental and organizational reports be approved. These reports are: Brotherhood, Music, Sunday School, Woman's Missionary Union, Executive Committee, Missions Committee, General Board, Seminary Extension, Volunteerism, North Carolina Missions, Home Missions, Foreign Missions, Children's Homes, Hospital, Retirement Homes, American Bible Society, Annuity Board, Baptist Foundation, Christian Education, Christian Life and Public Affairs, Christian Literature, Christian Social Ministries.

    Motion was made and seconded. Ernest Russell asked to speak to the report on the Annuity Plan. James Tucker and Doland Humphries reported that the way pastors sign up for the Annuity Plan can make a difference in the amount they will be able to receive. There should be a clear understanding that it is "salary reduced contributions" and not "employer's contributions". If it is listed as "employer's contributions" the money does not belong to the minister.

    Bobby Goodman, representative from the Emergency Care Unit of the Children's Homes, presented a book to Mr. Dunevant in appreciation of

his work with the Children's Homes. The book is entitled, "One Hundred Years of Caring 1885-1985".

Motion to approve all reports was carried.

44. Kinney Wallace, pastor of First Baptist Church, Locust, and Associational Evangelism Director, made a motion for the adoption of the printed report. This was seconded. He then reminded all of the Good News Revival, March 23-30, 1986. Also the Evangelism Rally for the Association would be at the Red Cross Church, February 24-25. Eddie Burris will be guest speaker, with music by Sherrill and Phil Sizemore. The report was then approved.
45. During the Miscellaneous Business the Constitution changes were brought before the group. Henry Jenkins, Chairman of this committee, made a motion for the adoption. This was seconded and approved.
46. Larry Linker, pastor of Big Lick Baptist Church, made a motion that at least a tithe of the amount in the Money Market Fund ($1,0719.49) be sent for World Hunger, going to the Foreign Mission Board.

    This was seconded and approved unanimously.
47. Registration report: 151 Messengers, 38 Visitors — total of 189.
48. Michael LaCroix, representative from Wingate College, expressed appreciation to the Association for the students at Wingate.
49. The hymn, "I Stand Amazed in the Presence", was sung.
50. With Vice-Moderator, Harold McDonald, presiding, Edward Lowder introduced the speaker, Dr. Paul Corts, president of Wingate College.
51. Dr. Paul Corts brought the Inspirational Message. He read various Scriptures from I John, beginning with I John 1:1-4. In the beginning of the century all colleges were church related, but that is not true today. At Wingate, the goal is to deal with moral problems. This can be done by following three areas: Faith, Knowledge and Service.

    The most profound theological experience is that "Jesus Loves Me".
52. Larry Linker, pastor of Big Lick, one of the eight original churches gave an account of the history of the church.
53. Director of Missions, J. Clifton Dunevant, moved for the adoption of his printed report. This was seconded and he then spoke to the report, and it was approved.
54. Ernest Russell, retired pastor, read the memorials. There were 134 departed souls.
55. The hymn, "A Child of the King" was sung.
56. Fran Hinson, Associational Music Director, sang, "Bless the Lord".
57. Jerry Mabry, pastor of Union Grove Church, presented the Sermon. Reading from John 13:1-20, his topic was, "Jesus and His Towel". He stressed the need to serve in humility. The need for love in action. We may need to lower our position (bend a little) and deflate our own ego. We need to give of ourselves as the Good Samaritan did.
58. James Tucker made announcements and gave our thanksgiving.
59. The session adjourned for lunch.
60. The last Session opened with the singing of, "Stand up, Stand up for Jesus".
61. Mrs. Betty Pate, Associational WMU Director, led in the devotions. She read from Colossians 1:9-12, and spoke of the effect of prayer on her life and on the lives of others.

62. Lamar Price, pastor of Barbee's Grove Church, presented a history of the church.

Centennial Committee Report

The following ideas, adopted at last year's annual session, are being incorporated into the 1985 annual sessions:

(1) Hebrews 13:8 "Jesus Christ the same yesterday, today and forever" is the theme for the sessions.

(2) The eight charter members of the Stanly Baptist Association are giving a brief history of their churches.

(3) Reports of agencies and organizations are being presented as one item of business in order to devote more time on the program to the centennial observance.

(4) The first day is designated as Old-Fashioned Day and messengers have been encouraged to dress in old-fashioned attire.

(5) "Celebrating a Century of Christian Cooperation" has been the theme for the 1984-85 year.

Our thanks to the Program Committee for their creative and judicious use of time in leading us to call attention to our centennial in other ways on the program.

Sincerely His and yours,
Ronny Russell, Chairman
Marie Phillips
Fred Hopkins
Henry Boone
Edith Whitley

Sunday School

The Associational Sunday School Assist Team attended an Effective Worker Workshop in May of this year. During August an Associational Clinic for Conducting Preparation Week and being an effective worker was held. Churches were encouraged to have Preparation Week this September. My thanks to the ASSIST Team — a special group of dedicated workers. Please feel free to call upon the ASSIST Team for Sunday School help.

The emphasis in Sunday School is on enrollment. The 8.5 by 85 campaign which concluded in September emphasized enrolling 8.5 million people in Sunday School by 1985. In the SBC we have experienced outstanding growth in the Sunday School. However, with the rapidly expanding population in the USA we have only begun to experience the blessings God has in store for us.

Perhaps your church was not involved in the 8.5 x 85 campaign, however, I am sure your church is interested in reaching people for Christ. A continuing enrollment emphasis, Challenge 10/90, is an opportunity for churches around our Convention to look again at their challenge and make a new commitment for reaching their community for Christ.

Wouldn't it be wonderful if every Church in the Stanly Baptist Association set an enrollment goal for Sunday School next year? It would be more wonderful if the goals were reached. Look to God in faith, believing He is able to exceed any challenge.

Richard Poindexter
ASSIST Team Leader

Woman's Missionary Union

"By Love Compelled", our WMU emphasis and watchword, "Our love should not be just words and talk it must be true love that shows itself in action", "By Love Compelled" has been magnified in all age-level events this year.

Freedom Church organized a new WMU.

Anderson Grove Church hosted the Leadership Workshop — Union Grove Church the Support Workshop.

Mrs. Albert Miller, Mission Action Director, led churches to donate chewing gum to the Correctional Center in Raleigh, and an on-going project of collecting used stamps to relieve world hunger.

Mrs. C. T. Redwine, Jr. invited Mrs. James Kirk for the WMU Prayer Retreat at South Albemarle.

Mrs. Raymond McDonald led the Mission Study Conference at the Missions workshop.

Mrs. Hoyle Whitley shared plans for the North Carolina WMU Centen-

nial Celebration and plan book.

Miss Claudette Burris and Mrs. Lindsey Dunevant directed the BYW Prayer retreat and the BYW Banquet.

Mrs. Earl Hagans and Mrs. Vernon Simpson invited Mrs. Nancy Willis to speak at the Baptist Woman's Meeting at West Albemarle.

Mrs. Ronnie Dennis and Mrs. Tony Barbee conducted the G.A. Rally at Locust First Baptist, and the G.A. Missions Fair at Wiscassett Pavilion.

Mrs. Douglas Phillips and Mrs. Ellis Smith led Acteens events including the Prayer Retreat and Banquet and Recognition Service.

Mrs. Joel Phillips and Mrs. Thomas Hill invited Church Mission Friends Leaders to a "Share a Brunch" at the Associational Center.

Memorial Church hosted the Annual Meeting. Mrs. Ronald Carter, using our theme, stressed the importance of commitment to witness to those around us. Mr. William Bowers and daughter, Suzette, Volunteers, shared film of North Carolina-Togo Baptist Partnership work in Togo.

We on the Achievement Guide attained "Distinguished WMU". May God bless us to continue His work with enthusiasm and joy!

Della E. Hollis

Brotherhood

Three workshops (for individual churches) were held during the year. We feel that assistance given to the individual church is more helpful and productive until greater participation is achieved.

Your voluntary associational Brotherhood staff welcomes the opportunity to come and lead your men in either a practical "how-to" or an advanced workshop.

Call Doland Humphries at 463-5212 (after 5:00 P.M.), or Sidney Smith at 463-5055 (after 5:00 P.M.).

We desire to make this a very productive and formative year in Brotherhood work in both R.A.'s and Baptist Men.

Respectfully submitted,
Doland Humphries

Music

Your Associational Music Department is here to help the individual church when there is a need. Music enhances the worship service and should be a vital part of each service.

During the past year, the emphasis of this department has been placed on being involved with various committees where there has been a need for music in the program. The Evangelistic Committee sponsored a two night rally in which the music department was involved. Currently, music is being planned for the Annual Meeting in October whereby an Associational Children's Choir will participate.

I would like to take this opportunity to thank those who have participated this year when called upon to take part in the music program. The willingness of the churches to serve has been overwhelming — Thank you.

Respectfully submitted,
Fran Hinson
Associational Music Director

Evangelism

We are told that only three percent of all the lost people come to our churches on their own. This means that 97 percent are out there lost without help, without hope, and without strength. These people will die and go to hell unless we go to where they are and share Jesus with them. It is absolutely imperative that our church people come out of the beautiful buildings into the Market Place and share with the lost humanity the "Good News" of Jesus.

Many of the churches in the Stanly Baptist Association are even now making preparations to participate in the Good News America God Loves You revival March 23-30. At this point approximately 26 churches are participating. Every church is encouraged to plan a revival meeting during these suggested dates. If these dates are in conflict please plan on another. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the Gospel of Christ by the end of 1986. In preparation for this revival, there will be an Evangelistic Rally at Red Cross Baptist Church February 24-25, 1986 beginning 7:30 P.M. Rev. Eddie Burris from Belton, S.C. will be the guest Evangelist.

In July of 1985 there was an Evangelism Rally at the First Baptist Church of Locust and at First Baptist Church in Albemarle. Both of these were very poorly attended. Rev. Bill Traywick was the guest Evangelist.

On February 3-4, 1986 the 40th Evangelism Conference will be held in Greensboro Coliseum with Dr. George Harris, Dr. Frank Crumpler, Dr. Leonard Sanderson, Dr. Frederick Sampson, and Dr. Jim Henry bringing the messages.

We look forward to the continuing work in all the churches toward Evangelism. Winning the lost to Christ is the most important part of the churches' responsibility.

Yours in Christ,
Kinney Wallace,
Chairman of Evangelism

Missions Committee Report

The missions committee met each quarter prior to the Executive Committee meeting. It was noted at the first meeting in November that the present plan of organization does not coincide with the suggested plan of Missions Development as put out by the Home Mission Board. Study was made during the year and the committee requested the Committee on Constitution and By-Laws to consider changing the structure to a program basis rather than a committee basis. This was recommended to the Executive Committee in September, '85, and will be presented to the annual Association in October for action.

Contact was made with Social Services to inform them about our having people trained in literacy work. We hope to make contact with persons needing to learn to read and pair them up with those who are trained to teach.

Our committee expressed concern for the establishment of the Stanly Community Christian Ministries in which interest has seemed to die down. Due to this concern the group for SCCM was revived and has gone on to become officially organized with a Board and Assembly representing at least 16 churches in the county. It is hoped that an office and staff director will be in operation by January 1986.

A survey was made of churches having community missions committees. Replies were received from four churches, one of which has a commit-

tee. Others have mission projects going under direction of the W.M.U. or Baptist Men.

Some considerable discussion and study was made of the feasibility of beginning new work in the Millingport area. A building was for sale by a group who had started a Christian school. It could be purchased for $75,000. Investigation proved that too many hands were involved in loans and mortgage exchanges and statistics do not show an accurate count of unchurched people in the area.

We think the mission work of the association can best be carried out through the program of Missions Development with a Director and Council rather than a committee. This way persons will be enlisted who have interests and abilities in the area of work for which they will be responsible.

Seminary Extension

According to available statistics, approximately 50% of the pastors in the Southern Baptist Convention do not have seminary training. Undoubtedly, these pastors have learned much from the "school of experience".

In 1951, the Southern Baptist Seminaries responded to this need by establishing the Seminary Extension Department. It is their belief that every minister regardless of age, material possessions or whatever can receive a theological education.

There is an opportunity to learn. We never get too old to learn. So let's take advantage of this wonderful tool that is open to us. It is also available to laypersons to continue their education in becoming more effective in their positions.

Let's take Paul's challenge to heart: "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." (2 Timothy 2:15)

John Barnhardt

Stewardship

Special Stewardship conferences and emphases were conducted during the past year for "Planned Growth in Giving" at Caraway Conference Center.

Confereces will again be held in 1986, at Caraway: February 24-26, March 10-12, March 17-19, April 14-16, April 28-30, May 5-7, June 23-25, August 18-20, August 25-27, and September 8-10.

The Association will sponsor a Stewardship Conference April 3, 1986, 7:00, at Jay's Downtowner.

Total budget offerings of the churches for this year were $4,079,514, an increase over the past year of $223,365.

All churches of the Southern Baptist Convention are urged to participate in a 15 year Planned Growth in Giving emphasis — 1985-2000 A.D.

Wayne Bennett

Baptist Retirement Homes of N.C., Inc.

For over 34 years North Carolina Baptists have been ministering with older adults through the Baptist Retirement Homes. This ministry provides security and hope, making possible life with a plus!

This information will give an overview of the Homes' ministry last year:

— There was an average daily occupancy of 244 residents in the five group Homes, Nursing Care Unit and apartments.

— Over 30 new residents were admitted.

— Group Home fees for care were not raised.

— Over $100,000 of benevolent care was provided monthly to Home residents.

— Sixty cents of each benevolent care dollar was provided through Cooperative Program and N.C. Missions Offering gifts.

— "Heart to Heart" Christmas gifts from friends provided each resident with a $20 Christmas gift.

— The Homes' Nursing Care Unit can now care for 85 persons.

— Plans are being formulated to build another duplex unit on the Hayes Home Campus.
— A 20 minute video tape, "Not an Ordinary Person", has been produced to be used in communicating the Homes' ministry.
— The Retirement Homes do have vacancies. Admission information may be obtained from the Administrative Offices in Winston-Salem.
— After more than 24 years of service to the Homes, President Bill Poole retired. A Trustee Search Committee is seeking the person to become the third President.
— Last year, through bequests, trusts, etc. over $400,000 was given to support the Homes' ministry.
— The fiscal year ending September 30, closed in the black, largely due to special gifts.

The Baptist Retirement Homes' mission is to continue providing the most important dimension to meeting the needs of older adults — Christian compassion. Thanks to your support, care of which we know you would be proud is provided.

Baptist Children's Homes

The mission of the Baptist Children's Homes of North Carolina, Inc. is to care for dependent, neglected and homeless children; emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The broad purpose of the Institution embraces services directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

During this our 100th year of quality child care, the trustees, staff, and President Michael C. Blackwell, pledge anew our commitment to continue fulfilling the mission and broad purpose of this Christian institution of caring as we enter our second century of service. In our Centennial year we served 1,517 children and 1,167 families.

With the Governor's proclamation of May 19, 1985 as "Baptist Children's Homes Day", the Centennial celebration was well on its way. Phil Young of Henderson, was commissioned to write "Praise Book", a musical about children and families. The musical was performed by adult and children's choirs in 11 Baptist churches across the state. Dr. Alan Keith-Lucas wrote, "A Hundred Years of Caring", an updated history of the Homes. Baptists from across the state submitted their favorite recipes for a cookbook to be released this fall. In cooperation with the Convention's Communication Department a new video, "100 Years of Caring", was released in February. Both the book and the video were underwritten by the Broyhill Foundation. During May, June and July a 1,400 mile relay marathon, the longest in the history of North Carolina, allowed hundreds of people to participate and celebrate the spirit of caring for children.

One of the final events of the Centennial will take place on November 12, 1985 at the Baptist State Convention in Charlotte. The combined voices of our children in care, along with other special features, will be an exciting entrance into our second hundred years of quality child care. We hope you will join us at the Charlotte Coliseum for an evening of celebration, praise and thanksgiving.

Baptist Hospital

We all know people who have been hospitalized: family members, friends, co-workers, perhaps even ourselves. Few people go untouched. At best, it is an experience fraught with anxiety, fear of the unknown, separation from loved ones, and loss of freedom. Add to this the real threat of unplanned for and unwanted expense, and the stress of being hospitalized is soon recognized.

Most of us will never enter Baptist Hospital in Winston-Salem as patients. We can feel good as North Carolina Baptists, however, in supporting a facility which is dedicated to serving all who need their specialized care, regardless of ability to pay. More than 25,000 clients were ministered to in 1984. How? With "skill and understanding," according to Pastoral Care Department and the Patient Relations Department.

You and I make Baptist Hospital a reality. Our 1984 North Carolina Missions offering of $367,712.33 plus our Cooperative Program gift of $541,255.16 is making possible continuing research, development of new techniques, further expansion of existing facilities, and quality medical treatment.

"With skill and understanding." Is there any other way in which to serve Christ? Let us remain committed to caring, in order that those in need of quality medical attention might find in North Carolina Baptists a solid hope.

Prayerfully submitted,
De Hillyer

The Annuity Board

The Annuity Board of the Southern Baptist Convention is charged by the denomination with the responsibility of administering retirement and insurance programs to meet the needs of ministers, church employees, denominational and institutional employees, and seminary students. Money contributed by churches, agencies and individuals is held in trust by the Annuity Board to provide these benefits.

A relief and supplemental assistance program assists needy, disabled and retired ministers and widows of ministers. This program is funded by the Southern Baptist Convention Cooperative Program and by private donations to the Annuity Board's Endowment Department.

The Board administers three retirement programs: The Church, Convention, and the Voluntary Annuity Plans. All of these are designed to meet special needs of Southern Baptist Church and agency staff members.

Effective January 1, 1988, the new Pension Plan will allow ministers the ability to generate three dollars for each dollar they contribute. The church will match the individual's initial contribution on a two-for-one basis, up to 10 percent of pay. After the required contributions are made by the individual and the church, the State Convention will match one-half of the church's contributions up to $35 per month for each participant.

Every church should participate to the fullest in an Annuity Board Retirement Plan for its pastor and staff members. The insurance protection plans for pastors are also a must for our churches. These should not be looked upon as a part of the employee's salary, but as a part of the church's mission offering for the protection and retirement support of pastor and staff.

Christian Education

From our churches and homes, young people are being sent to college to be trained for various positions. As Christians, we desire that they be trained in a Christian environment. Therefore, support for the seven North Carolina Baptist colleges and universities and seminary is vitally important. These institutions of higher learning are: Campbell College in Buies Creek, Chowan College in Murfreesboro, Gardner-Webb College in Boiling Springs, Mars Hill College in Mars Hill, Meredith College in Raleigh, Wake Forest University in Winston-Salem, Wingate College in Wingate, and Southeastern Seminary in Wake Forest.

Baptist colleges offer large and important differences. Smaller and friendlier campuses where a Christian community is present and encouraged is one difference. Another is that education and the Christian faith are compatible.

Thousands of men and women have gone out from seminary campuses to minister in churches, on mission fields, in hospitals and schools across America and around the globe. The task of seminaries is to prepare God's servants for their calling.

Your North Carolina Baptist colleges, universities, and seminary say "Thank you" for your generous support.

Pastors in our denomination are encouraging and will continue to encourage their college-age church members to enroll in a Baptist college or university.

Let us put our young people first and continue to support our colleges, universities, and seminary with our gifts and prayers.

Christian Literature

In *Real Evangelism*, (Broadman Press) Bailey E. Smith says in relation to outreach, "Most people pray, 'O Lord give us a blessing,' but they will mostly forget to pray, 'O Lord, make us a blessing.' "

Since many get stuck on a psychological adjustment, Gary R. Collins has written, *Beyond Easy Believism*, (World Books). He says, "The easy believism will someday be 'weighed in the balances and be found to be deficient. Only one life, it will soon be past; only what's done for Christ will last."

A copy of *Authority*, (Fleming Revell Co.) by Dr. James T. Draper, Jr. was sent to many ministers this past year. Clark H. Pinnock's, *The Scripture Principle* (Harper and Row) dealing with the same subject says, "The Scriptures exist to bear witness to him (John 5:39) and he is the sum and substance of their message."

Idols of Destruction, (Thomas Nelson Co.) by Herbert Schlossberg, deals with how Christian faith and the American Society confront one another. John Eidsmoe's *God and Caesar* (Crossway Books) presents two kingdoms, the Church and state and details how we live in both and what we should do in rendering to God and rendering to Caesar.

Scott Peck's *People of the Life* (Simon and Schuster) affirms the presence of ugly evil in case after case. He quotes C. S. Lewis, "There is no neutral ground in the universe; every square inch, every split second is

claimed by God and counterclaimed by Satan." He points out that evil hides its motives with lies. Evil denies its existence and that is why it is so hard to deal with.

Synopsis of the Four Gospels (United Bible Societies) can be ordered from the American Bible Society. It is a fine tool for comparative study of the Gospels.

Showing Christian concern for others is sharing the love God has given to each of us. The gift of caring is not just doing something for someone, but is doing what that person wants or needs at that time.

Before we can lead someone to the saving grace of our Lord, we must first help them where they hurt.

"I was hungry and you fed me, thirsty and you gave me drink; I was a stranger and you received me in your home, naked and you clothed me; I was sick and you took care of me, in prison and you visited me." (Matthew 25:35-36)

Loves goes out like a circle. The love of God working in each heart is not truly love until it is shared with someone else.

We cannot share love without receiving something back, because love is a two-way affair. Everyone needs someone.

The responsibility for sharing is not a matter of choice. God expects us to show to others the generosity He has shown to us. He calls us to share in a manner which provides for a distribution of God's gifts through Christian love.

Without God we could do nothing, but when He gives us a job, He also gives us the strength to see it through.

Let us take Matthew 25:35-36 to heart and really minister.

The North Carolina Baptist Foundation

When we look at our objectives in life as individual Christians we should be interested, above all in other life's objectives, in presenting the message of Christ to those who need to know and accept Him as Lord and Savior. One of the exciting aspects of being a Christian is to feel the joy that comes in serving Him now as well as having influence on others in the future.

Some of the future influence we have as Christians is reflected in our daily commitment of service now. This can be accomplished first through our personal witness to those who will live beyond our lifespan and, secondly through use of our resources. An increasing number of North Carolina Baptists are experiencing the excitement that comes with knowing that a portion of their resources will be set aside in trusts to further the spread of the Gospel, in perpetuity. The Baptist Foundation provides the services that make this possible.

During the past fiscal year (1984), 81 new trusts were established with the North Carolina Baptist Foundation to serve as trustee. These gifts totaled $265,029.34. Additions and contributions to new and existing trusts to-

taled $741,153 for the year. When maturity value of bonds in the invested portfolio are considered along with market value for real estate held in trust, the assets of the Foundation at the end of 1984 totaled $10,930,279. Real estate holdings have an estimated value of $4,478 million dollars. Income distributed to Baptist institutions and agencies, and to individuals receiving annuity payments totaled $471,563 during 1984.

We are indeed thankful for what Baptists of North Carolina are doing to support the multitude of Christian missions and ministries carried on by Baptists.

American Bible Society

We praise the Lord for reports coming from over 180 countries concerning the advances which are being made in all aspects of the Bible cause. ABS and its 99 partners in the United Bible Societies around the world are currently involved in translating the Word of God in 562 languages.

The ABS reached a major milestone in 1984, distributing its four billionth copy of Scripture, and the Southern Baptist Convention has had a vital role in this achievement.

IN NIGERIA, in spite of the extreme economic difficulties besetting this nation, planning and progress is being made in Scripture translation in over 60 languages. Intensive work continued on translating the Old Testament in Edo. When it is completed, coupled with the New Testament published in 1982, it will be the first time there has been a complete Bible in this language.

IN MEXICO, almost 13 million Scriptures were distributed this past year in a variety of special programs. Bibles were shared with refugees from Guatemala; Bibles and other Scriptures were distributed to farmers throughout the country.

IN THE UNITED STATES, New Testaments came to more than 3.2 million copies, Bibles reached beyond the 1.9 million mark. The Los Angeles Summer Olympics and the New Orleans World's Fair were times of especially heavy distribution.

PLANNING FOR THE FUTURE, The ABS looks to the days ahead with great enthusiasm. New projects in translation are underway, there are real challenges in distribution, and new opportunities for Scripture outreach are presenting themselves constantly. 1985 will be a year of intensive planning not only for ABS but for Bible Societies worldwide. 1986 through 1988 have been designated as Years of Youth Advance, and ABS will be focusing on the distribution of God's Word to children and youth.

Report from the General Board of the Baptist State Convention of North Carolina

During the year 1985, important decisions were made by the General Board. Meetings were held at the Baptist Building in Cary in January, at Chowan College in Murfreesboro in May, and at Caraway in September.

It was with great encouragement that we heard of the strength of giving in 1985 among North Carolina Baptists. As of the end of July, Cooperative

Program gifts had increased 9.63% over 1984, and increases of 23.06% for Foreign Missions, 40.68% for Home Missions and 84.59% for World Hunger over 1984 had been made.

Some potentially controversial matters were dealt with but a spirit of unity prevailed as these were considered. One such matter was the question of the tax-exempt status of contributions to the Christian Action League. At the General Board's request, the Executive Committee obtained expert opinions on the question from Raleigh and Charlotte tax attorneys. Acting on the basis of the opinions obtained, a request has been made of the Christian Action League to amend its charter so that support of particular political candidates will not be among the CAL's permitted activities.

The General Board also took up the renewal and modification of the covenant between the Baptist State Convention of North Carolina and Wake Forest University. Certain modifications were agreed upon and will be recommended to the convention. In the 1980 covenant, it was agreed that the covenant would be re-evaluated at least every 5 years. The main change approved by the General Board for submission to the Convention is a change in the manner of selection of the one-third of the trustees who are not required to be North Carolina Baptists but who are required to be "men and women of any evangelical Christian denomination". (The other two-thirds of the trustees must be North Carolina residents who are members of Baptist churches affiliated with the State Baptist Convention.) Under the present covenant, this one-third of the trustees is selected by the Wake Forest trustees subject to election by the Convention. Under the new proposed covenant, the Wake Forest trustees' selection will be final, and they will not be elected by the Convention.

A major change in the administrative structure of the Fruitland Baptist Bible Institute has been approved by the Executive Committee. Alex Booth will remain as President, but, effective December 1, 1985, John Bunn will leave the pastorate of First Baptist, Sylva, and assume the newly created post at Fruitland of Executive Director of Administration and Denominational Relations.

The North Carolina/West Virginia Partnership Phase II was approved, extending the partnership for three years, 1985-88, with emphasis to be on church development with the objective "to strengthen new churches begun in phase one of the partnership and existing churches through leader training, evangelism and missions".

Based on a study committee's report, the General Board decided to recommend that the North Carolina Missions Offering be split into two parts. Present plans are for an offering for the social service agencies in May to be known as the Homes and Hospital Offering with a 1986 theme of "Care Finds a Way". At another time, an offering will be taken to support the other North Carolina missions causes including all of the many important programs of the Missions Division such as Associational Development, Brotherhood, Chaplaincy, Language Ministries, Church Extension, Cooperative Ministries, Special Ministries, and Fruitland.

These are but a few of the matters considered. It is exciting to be involved in the ministries of North Carolina Baptists and it has been a privilege to serve on the General Board in 1985.

Council on Christian Life and Public Affairs

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life committee members were trained and guidance on a wide range of social and ethical issues was furnished to churches and associations.

DEPARTMENT OF CHRISTIAN FAMILY LIFE: A wide range of family life events was led by the department's director. Several seminars, retreats, slide presentations, workshops, conferences, and speaking engagements were conducted through this department. Consultations by the director assisting churches, associations, and pastors in their crucial task of strengthening family life were offered.

DEPARTMENT OF AGING: Ministry with Senior Adults in North Carolina has experienced significant growth this year. Churches are becoming increasingly aware of the potential for ministry among older persons. Senior adult leaders received training in several workshops across the state and a number from North Carolina attended the National Seminar on Aging in Atlanta, Georgia in January. In addition, more than 100 pastors participated in the seminars on "Pastoring Older Individuals and Their Families". Six conferences on retreats for senior adults were held at Caraway Baptist Conference Center with more than 800 persons in attendance. Many churches are now observing a senior adult emphasis day.

DEPARTMENT OF CHRISTIAN CITIZENSHIP EDUCATION: The work of Christian Citizenship Education has focused on the 1985 session of the General Assembly, which convened in February and ran into July. The Department continued to make legislative news available to Baptists through the Legislative Information Network, made up of nearly 900 people who received regular updates on issues facing the General Assembly. Some associations took advantage of the opportunity to have an Associational Day at the General Assembly, bringing a group of interested church members to Raleigh to see first-hand the work of the legislature.

World hunger continued to be a matter of great concern to many Baptists. The ongoing crisis of famine in Africa has stirred new awareness of the problems and new generosity in response. In 1984, for the first time, North Carolina Baptists gave a little more than one million dollars through Baptist channels to fight hunger.

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA: This was certainly a banner year for the Christian Action League. Many victories were gained in legislation dealing with obscenity, alcohol (liquor-beer-wine), gambling (lotteries), and abortion.

Volunteerism

Early in the Bold Mission Thrust plans and effort someone said, "This is not the task of the pastors, staff members and missionaries of the 35,000 Southern Baptist Churches; but of the 14 million Baptists." . . . and we would include Christians of all churches. We are grateful for the emphasis on laity in sharing the Good News with the world. We are grateful for the emphasis on "the world" — "For God so loved the world". Let us not neglect the opportunities either far away or near at hand, for God has called us to a world

mission. Let us encourage and show appreciation to those who try to faithfully share the Good News at home as well as those who go to other communities. Foreign Missions has always been fascinating to me, and I believe to others; and missions here at home is just as important.

I am grateful for the many groups from our churches who have gone on special projects and for their reports of how God has blessed; also for groups and individuals who have served locally in many efforts to share the love of God in an effective way. So when the Lord opens a door of opportunity here at home or in another area, respond in faith and commitment to His will and leadership. Let us pray for, encourage and support all who are so involved.

Our Associational team had a good experience working with the Grandview Southern Baptist Church and its Northgate Southern Baptist Mission in Beckley, West Virginia in July. Also had the joy of visiting briefly in communities served in 1983 where a Mission has been organized at Pineville, work has been revived at Mullens, and the sponsoring church at Brenton is progressing. Also, clothing was taken to West Virginia in November of 1984.

First Baptist Church, Albemarle: Backyard Bible Club material was used to reach 107 children at Daytona Beach, Florida and a program was presented in a different hotel each night (magic, music, puppets, clowns, brief messages). Tommy Wilson was leader of this group of Baptists.

Group from West Albemarle Baptist Church went to Scranton, Pennsylvania, to work with Rev. Gary and Elaine Williams in the Southern Baptist Church there for Backyard Bible Club, for improving the pastor's home and visitation — 8 members of this group.

Kendalls Baptist Church: A group of 8 spent 10 days in St. Vincent, West Indies with an average of 117 in Vacation Bible School — they promise never to complain about overcrowded classrooms at home. Rev. Keith Walters led this group.

North Albemarle Baptist Church sent 5 and Highland Baptist Church sent 7 (including Opal Dabbs from Locust and Clifton Dunevant from our Association) to England for the Partnership Evangelism in September. It was a rewarding experience.

Let all of these and others share experiences whenever and wherever needed to stimulate more interest in mission activities.

J. Clifton Dunevant

Director of Missions

As the years come and go we are inclined to compare the opportunities and accomplishments of different years. This is our centennial year and as such has been special. Like other years there have been accomplishments and disappointments.

Reports will indicate this; and we are grateful for many activities and also for aims which were not reached. "If at first you don't succeed, try, try again" is a worthy saying.

The Bold Mission Thrust will continue to be a challenge to us as Baptists and as Christians. Though we have not done what **our Lord** commissioned us to do; and we have not met **our** goals in the suggested plan for accomplishment, we dare not fail or lose hope and optimism and the renewed determination to make the necessary effort to succeed under His leadership. God has blessed Stanly Baptist Association for a hundred years and we have hope He will continue to lead and bless in the years to come; — believing this we

must rededicate ourselves to Him and to the work He has called us to do. How else can we say we are truly grateful for all He has done and is doing for us and for the world. Your response and my response to God will change our world. Good News — God Loves You!

Some 1984-85 statistics are:

5 Statewide conventions, conferences, clinics, etc.
8 Regional conferences and workshops.
89 Services in churches (speaking 73 times plus conferences, reports, etc.)
Observed all of the Southern Baptist Convention meeting in Dallas by satellite here at our office.
1 week at Ridgecrest for Home Missions Week
1 week at Directors of Missions Conference, Wingate College
1 week in West Virginia Partnership Missions — Grandview Baptist Church, Beckley
11 days in Partnership Evangelism Missions in England in September (also 19 days vacation).
Work with groups, committees, individuals, etc. (more than ever before)
Traveled 21,896 miles related to duties.

God continues to challenge and inspire us with open doors of opportunity and with the assurance of His loving presence.

Respectfully,
J. Clifton Dunevant

North Carolina Missions

It isn't easy to think of North Carolina as a mission field. Yet, statistics show that at least half the people in our state have no meaningful relationship with Christ.

North Carolina Baptists are working to reach these people. Our State Missions offering supports the works of the Caraway Conference Center, North Carolina Baptist Assembly, Baptist Colleges, Baptist Hospital, Retirement Homes, Children's Homes, Woman's Missionary Union, Baptist Men and State Mission Projects. The offering goal for all North Carolina Baptists is $2,800,000.

In 1984 North Carolina Baptist Hospital ministered to over 25,000 patients who came from 95 of the state's counties.

Almost 17,000 students are enrolled in North Carolina Baptist Colleges. More than half of all Baptist pastors and church staff persons in our state attended one of these schools. More than 70% of all students in North Carolina Baptist colleges receive financial aid.

In 1984 alone over 1,500 children and their families received help from Baptists through the Children's Homes' ministries.

Baptists are committed to helping people. Our missions program is people serving other people, adding action to words, extending proclamation to projects. It is concern you can see and hear. It is the fruits of the gospel.

As we support these programs through our combined missions offering and our prayers, may we also be busy meeting needs in our local communities and county.

Broyce S. Moose

Home Missions

In 1984 the Home Mission Board formed two new departments — Church Starting and New Church Growth. During 1984 the division participated in the Building Program of 203 churches with loans totaling $9,991,047.

The Evangelism Department provided training in 10 states for 135 Associational Evangelism directors. It also enlisted support through the Association Support for the 1986 revivals. The Evangelism Support Department promoted 400 Renewal Conferences involving 40,000 people.

The Interfaith Witness Department leads Baptist efforts to witness to people of other faiths.

The Rural-Urban Missions works to expand and strengthen Baptist work in rural and small city associations. The department trained 400 Directors of Missions in conferences at Glorieta and Ridgecrest.

The Home Mission Board began the Bold Mission Thrust emphasis in 1974. Four years later it was adopted by the Southern Baptist Convention as a way to evangelize our nation and our world. The goal is to organize a total of 1,500 new churches by the end of 1985. Southern Baptists added 413 new churches.

The Home Missions Board through Church Extension and Language Missions helped start 1,733 church type missions.

In 1984 the Home Mission Board appointed or approved 555 missions personnel, bringing total appointments since 1982 to 1,878. The Home Mission Board had short term volunteers in 1984, numbering 48,416 including 32,556 youth and 4,072 college and university students.

The Continuing Witness Training seminars equipped 2,234 pastors and lay people to share their faith and lead other Continuing Witness seminars in 48 states. The goal is for one million church members to be trained to witness during 1982-1985.

Bold Prayer and Missions involvement has a three year project to lead churches to pray for missions, to share their faith through mission action and increase membership in Woman's Missionary Union and Brotherhood.

Foreign Mission Board

The Annual Report of the Foreign Mission Board calls our attention to the following principles which govern the strategy of the Board:

- A biblical basis for what is done.
- The primary purpose: evangelism which results in churches.
- The incarnational approach, emphasizing the career missionary who goes to live among and serve the people in the spirit of Christ.
- An indigenous approach, meaning 'home-grown' churches with worship and ministry natural to their environment and local leadership.
- A comprehensive approach to ministry that "by all means some may be saved." (I Corinthians 9:22.)
- The responsibility to communicate to Southern Baptists what God is doing through the Board and its missionaries.

With 3,432 career missionaries under appointment on September 30, 1984, the Board continues its emphasis on the incarnational principle while at the same time providing opportunities for short-term involvement in many different kinds of volunteer ministry. Last year 11,394 Southern Baptists participated in overseas programs of short-term ministry through the Foreign Mission Board.

Total church membership in Baptist churches on our foreign fields rose to 1,910,483, growing at a rate of 4,000 new members per week, an annual gain of almost 12%. The number of churches is up 9% to 14,791.

The principle of individual involvement on the home front is reflected in two main areas — financial and prayer support. Gifts through the Cooperative Program for world missions grew 12.5% over the previous year. The Lottie Moon Christmas Offering, with a goal of 60 mission dollars in 1983 reached over 58 million dollars. (This money was received at the Foreign Missions Board during 1984.) Gifts to Hunger and Relief Funds reached a record 8.5 million dollars. With regard to intercessory prayer, over 200,000 Southern Baptists committed themselves to daily prayer for specific prayer requests.

We commend to the Baptist people of Stanly County the 1985 Foreign Mission Study book, THE SEED IS SOWN, a fascinating glance at church planting in fields around the world. We also commend the placing of the world missions journal, THE COMMISSION, in every Baptist home. A people who become aware of God's mighty acts in today's world become increasingly a people whom God can use, to have a part in these acts.

James and Maxie Kirk
